

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505T)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

92949-1

Date of Issuance:

5/15/24

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration
(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

Aedes Mosquito Killers

Name and Address of Registrant (include ZIP Code):

Greenlid Envirosiences, Inc.
c/o JAK Consulting Services
2042 Town Center Blvd, #172
Knoxville, TN 37922

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Elizabeth Fertich, Product Manager 4
Invertebrate-Vertebrate Branch 1
Registration Division
Office of Pesticide Programs

Date:

5/15/24

EPA Form 8570-6

2. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, "EPA Reg. No. 92949-1."
3. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

The record for this product currently contains the following CSF(s):

- Basic CSF dated 4/30/2024
- Alternate CSF 1 dated 4/30/2024

If you have any questions, please contact Autumn Metzger at 202-566-2830 or Metzger.autumn@epa.gov.

Product Information

Aedes Mosquito Killers are a proven [targeted and] effective method to kill *Aedes* mosquitoes [that may transmit illnesses such as Dengue Fever [Chikungunya] [Zika] [Viruses].

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

- 1- Look for and eliminate all standing water around your home. Standing water can be found in places such as bird baths, flowerpots, toys and gutters.
- 2- Aedes Mosquito Killers should be spaced 35 feet apart in shaded areas around the property to reduce *Aedes* mosquitoes. Do not exceed 10 units [pots] [containers] [Aedes Mosquito Killers] per acre. [Each unit [pot] [container] [Aedes Mosquito Killer] contains 0.1 g of permethrin. Do not exceed 1.0 g permethrin per acre.]
- 3- [Pour] Add [118 oz] water into each Aedes Mosquito Killer. Do not exceed the height of the overflow hole. Add water to Aedes Mosquito Killers as necessary if evaporation occurs.
- 4- Replace Aedes Mosquito Killers once a month [every 4 weeks] [if needed]. Aedes Mosquito Killers will no longer hold water when they are ready to be replaced.

{Reviewer: this list may be converted to paragraph depending on space available}
