Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 – Update the company name and address
Product Name: Indole-3-Butyric Acid Technical
EPA Registration Number: 92983-4
Application Date: 04/03/2020
OPP Decision Number: 562398

Dear Mr. Ogongi:

The U.S. Environmental Protection Agency (EPA) is in receipt of your application for notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Biopesticides and Pollution Prevention Division (BPPD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped “Notification” and will be placed in our records. You must submit one (1) copy of the final printed labeling with the modifications.

Should you wish to add/retain a reference to your company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance Assurance.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

May be fatal if swallowed, absorbed through skin, or inhaled. Causes substantial but temporary eye injury. Causes skin irritation. Do not swallow, get in eyes, inhale, or get on skin or clothing. Wash thoroughly with soap and water after handling. Wear appropriate personal protective equipment (PPE).

PERSONAL PROTECTIVE EQUIPMENT (PPE)

- Coveralls (over long-sleeved shirt and long pants)
- Chemical-resistant footwear
- Chemical-resistant gloves
- Goggles
- Dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C) or NIOSH approved respirator with any N, R, P, or HE filter.

Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

- Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.
- Do not contaminate water when disposing of equipment washwater or rinsate.

DIRECTIONS FOR USE

For Manufacturing Use Only.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Instructions for Formulation: This product only for formulating into products intended as plant growth regulators for the following uses:

- 1) **Terrestrial food uses:** Barley, beans, broccoli, Brussels sprouts, cabbage, cauliflower, citrus fruits, corn (field, sweet), cotton, corn (field, sweet, grain), cucumbers, lettuce, melons, mustard cabbage, mustard (leafy/stem crop), oats, onions (bulb and green), peanuts, peas, peppers, potatoes, rice, rye, sorghum, soybeans, spinach, squash, strawberries, sugar beets, sugarcane, tomato, turnip, wheat, seed treatment for all terrestrial food crops.
- 2) **Terrestrial non-food uses:** Ornamental herbaceous plants, ornamental woody shrubs and vines, ornamental and/or shade trees, golf course turf (greens, tees, fairways), ornamental lawns and turf.
- 3) Uses for which are registered with the U.S. EPA and/or EPA has accepted or waived the required data and/or citations of data that the formulator has submitted in support of registration.
- 4) Uses for experimental purposes that comply with U.S. EPA requirements.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Keep containers tightly closed when not in use. Do not store at temperatures above 122°F.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. Completely empty bag into manufacturing equipment. Offer for recycling, if available.

LIMITED WARRANTY AND DISCLAIMER

NOTICE: Suntton International Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use. To the extent consistent with applicable law, buyer assumes all risks of use and handling which is a variance in any way with the directions herein. To the extent consistent with applicable law, Suntton International Inc. makes no other express or implied warranty of fitness or merchantability. To the extent consistent with applicable law, in no case shall Suntton International Inc. or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. To the extent consistent with applicable law, Suntton International Inc., and Seller offer this product and the Buyer and user accept it, subject to the foregoing Limited Warranty and Disclaimer which may be varied only by agreement in writing signed by a duly authorized representative Suntton International Inc.
