Washington, D.C. 20460</p> <p style="text-align: center;"><b>NOTICE OF PESTICIDE:</b> <input checked="" type="checkbox"/> Registration <input type="checkbox"/> Reregistration (under FIFRA, as amended)</p>	93040-1	<b>Date of Issuance:</b> 4/18/18
	<b>Term of Issuance:</b> Unconditional	
	<b>Name of Pesticide Product:</b> Force of Nature Activator Capsule	
<b>Name and Address of Registrant (include ZIP Code):</b> Kevin Kutcel Agent for HCI Cleaning Products, LLC KRK Consulting LLC 5807 Churchill Way Medina, Ohio 44256		
<b>Note:</b> Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.		
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:</p> <ol style="list-style-type: none"> <li>1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.</li> <li>2. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.</li> </ol>		
<b>Signature of Approving Official:</b>   Demson Fuller, Product Manager 32 Regulatory management Branch II Antimicrobials Division (7510P)	<b>Date:</b> 4/18/18	

EPA Form 8570-6

3. Make the following label changes before you release the product for shipment:
  - Revise the EPA Registration Number to read, “EPA Reg. No. 93040-1.”
4. Submit one copy of the revised final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 05/17/2017

If you have any questions, please contact Ben Chambliss by phone at (703) 308-8174, or via email at [chambliss.ben@epa.gov](mailto:chambliss.ben@epa.gov).

Sincerely,

Demson Fuller, Product Manager 32

# Force of Nature Activator Capsule

## For Use with Force of Nature Appliance

**ACCEPTED**  
04/18/2018  
Under the Federal Insecticide, Fungicide  
and Rodenticide Act as amended, for the  
pesticide registered under  
EPA Reg. No. 93040-1

### Active Ingredients

Sodium Chloride	20.9 %
Other Ingredients	79.1 %
Total Ingredients	100.0%

**Generates 220 ppm Available Chlorine**

**KEEP OUT OF REACH OF CHILDREN**

### **CAUTION**

See Back Label for First Aid and Precautionary  
Statements

**EPA Reg. No. 93040-1**

**EPA Establishment # xxxxx-xx-xxx**

Manufactured by  
HCI Cleaning Products LLC  
7 Grassy Lane  
Westford, MA 01886

For use only with Force of Nature Appliance. Always use a Force of Nature spray bottle  
to identify product in use.

Date of Production Use within 14 days of Production

Net Contents: 3.35 gm

**DIRECTIONS FOR USE OF FORCE OF NATURE ACTIVATOR CAPSULE (TO GENERATE HYPOCHLOROUS ACID SOLUTION)**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling:

Users must follow all directions for use that are listed in the Force of Nature Appliance manual.

Note: Force of Nature Activator Capsules are for single use.

The Force of Nature Appliance is designed to use electricity, potable tap water and Force of Nature Activator Capsule to create HOCl (hypochlorous acid) solution. This conversion is accomplished using a process called electrolysis that employs an electrolytic cell. Force of Nature Appliance makes solution on demand as initiated by the User.

1. Fill Force of Nature Activator Bottle to fill line with tap water (347 gm). Maximum recommended water hardness is 100 ppm to ensure optimal device longevity.
2. Add one Force of Nature Activator Capsule (3.35 gm) to Bottle. (Use only Force of Nature Activator Capsules when making Electrolyzed Water Solution)
3. Close lid.
4. Place Bottle in Force of Nature Activator Base
5. Press "Start" button

This process generates a Hypochlorous Acid solution of 220 ppm Available Chlorine.

Users must refer to the directions for use of Hypochlorous acid solution for hard, non-porous, non-food contact surface disinfection.

## PRECAUTIONARY STATEMENTS

### Physical or Chemical Hazards:

Force of Nature Activator Capsule content is not compatible with other chemicals such as bleach or hydrogen peroxide.

Hazards to Humans and Domestic Animals

### CAUTION

Causes moderate eye irritation. Avoid contact with eyes. When handling the product, wear safety glasses or goggles if splashing is anticipated. Wash thoroughly with soap and water after handling and before eating, chewing gum, using tobacco or using the toilet.

### FIRST AID

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center, doctor or going for treatment. You may also contact the National Pesticide Information Center (NPIC) 1- 800-858-7378 for emergency medical treatment

#### If in eyes

- Hold eye open and rinse slowly and gently with water for 15 – 20 minutes
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

## **Hypochlorous Acid Solution**

### **220 ppm Available Chlorine**

**Disinfectant for hard, non-porous surfaces Environmental and non-critical care equipment surfaces**

**Kills bacteria**

**Cleans and Deodorizes**

**See label, booklet and Force of Nature manual for more information.**

### **DIRECTIONS FOR USE OF HYPOCHLOROUS ACID SOLUTION**

**It is a violation of Federal Law to use this product in a manner inconsistent with its labeling**

#### **Hard, Non-Porous Surface Disinfection using Force of Nature Final Solution Spray**

**To Clean and Disinfect and Deodorize Hard, Non-Porous Surface:** Pre-clean surface. Spray Force of Nature disinfecting solution on surface until thoroughly wet. Allow surface to remain wet for 10 minutes. Wipe surface with clean cloth or towel or let air dry.

Solution(s) are effective for up to 14 days from production date. After 14 days discard and refill bottle with fresh solution. Always use a Force of Nature approved spray bottle and label to identify product in use.

Solution can be used immediately upon production, or stored for up to 14 days in cool area out of direct sunlight in a closed Force of Nature approved spray bottle.

Force of Nature Disinfectant Solution(s) are intended for use in household, commercial, institutional, healthcare, dental office, veterinarian and hospitality housekeeping. It cleans, disinfects and kills.

The Force of Nature Appliance is designed to use electricity, potable tap water and Force of Nature Activator Capsules to make an antimicrobial HOCl (hypochlorous acid) solution. This conversion is accomplished by using a process called electrolysis that employs the use of an electrolytic

cell. Force of Nature Electrolyzed Water Device will make solution per demand and only require Consumer input when making solution.

The Force of Nature Appliance is designed for use in:

- Commercial buildings routine cleaning and disinfecting of hard non-porous surfaces and floors
- Daycares, Pre-Schools, Schools, universities, and other campus facilities routine daily cleaning and disinfecting of hard non-porous surfaces
- Hotel, motel, casino and other hospitality housekeeping, venues
- Cleaning high-touch areas and surfaces including but not limited to door handles, door knobs, tabletops, countertops, television, television remotes, video game controllers, chairs, headboards, sinks, faucets etc.
- Cleaning and disinfecting homes, hospitals, dentist offices, assisted living facilities, long term care facilities, nursing homes, medical clinics, military facilities, medical offices, veterinary facilities, animal research facilities, cruise ships, farms, laboratories classrooms, food processing facilities, restaurants, hotels, motels, etc.
- Restaurants non-porous non-food contact surfaces, food contact surfaces with potable water rinse.
- Cleaning and disinfecting areas with a two-step process in restrooms, toilets areas, sinks and sink areas, counters, exterior surfaces of urinals, floors, mirrors and other areas.
- Cleaning and disinfecting Animal Premises. Remove all animals and feed from area before disinfecting. Remove and clean all, litter, and droppings from hard non-porous surfaces before disinfecting: Animal grooming Facilities, Animal Housing Facilities, Animal Life Science Laboratories, and Kennels

Pre-clean surface before applying solution. Spray solution on hard, non-porous surfaces until thoroughly wet. Spread solution with a microfiber, cotton, disposable paper towel, sponge, cloth or other wipes. Allow surface to remain wet for the appropriate time. Wipe surface dry if desired after the appropriate time. No rinsing necessary, except on food contact surfaces.

<b>Pathogen</b>	<b>Strain</b>	<b>Contact Time</b>
<b>Organisms Supported for Disinfection</b>		
Pseudomonas aeruginosa	ATCC 15442	10 min
Staphylococcus aureus	ATCC 6538	10 min
Salmonella enterica	ATCC 10708	10 min
Listeria monocytogenes	ATCC 19117	10 min
Methicillin-resistant Staphylococcus aureus (MRSA)	ATCC 33592	10 min
Feline Calicivirus surrogate for Norovirus	VR-782	10 min
Influenza A virus	VR-544	10 min
<b>Organisms Supported for Food Contact Sanitization</b>		
Salmonella enterica subspecies enterica serovar Typhi	ATCC 6539	10 min

***In parentheses is optional text***

**General Claims**

Transforms salt, water & vinegar into a multi-purpose cleaner & deodorizer (as effective as bleach)	For (daily) (everyday) (gentle) (light-duty) (kitchen) cleaning (wiping)
Multi-purpose cleaner works on virtually any surface	For a cleaner, fresher (bathroom) (kitchen) (home) (house) (pet areas) (kennel) (litter box)
No (harmful) (harsh) (dangerous) chemicals	Gentle enough to clean (homes) (play rooms)
Multi-purpose cleaner with no harmful chemicals.	A (gentle) (mild) way to clean
No gloves needed (required)	Gentle Cleaning [Gently Cleans]
No rinsing needed (required)	Great for (all around) (the) (house) (home) (kitchen) on hard non-porous surfaces.
Use without gloves	Kitchen cleaner
Gentle on skin	Leaves surfaces shiny
Cleans rugs & furniture without removing color	Leaves your (kitchen) (home) (house) smelling clean
Cleans as effectively as conventional cleaners	No (harsh fumes)
(Contains) no (harsh) (harmful) (dangerous) (toxic) chemicals (fumes) (residues)	(Gentle) (Mild) (enough) to use on any washable (hard, non- porous) surface
(Controls) (stops) (prevents) the growth of odor-causing bacteria	Light clean scent
Leaves a streak-free shine	For use all around the (kitchen) (home) (house) on hard non-porous surfaces.
(Leaves) no chemical (harmful) (dangerous) residue	For use on all (kitchen) hard non-porous surfaces
No rinsing (wiping) needed (necessary)	(Use) for quick clean-ups
	(Use) for wiping (bathroom) (kitchen)

Cleans (glass) (stainless steel) (wood) (composite) (stone) (porcelain) (grout)	counters
Free of (fragrances) (dyes) (preservatives) (surfactants) (allergens) (irritants)	Use throughout the (kitchen) (home) (house) Rinse free clean
Cleans (grease) (grime) (soap scum) (oil) (sticky messes)	No bleach Restroom cleaner
Cleans grease (grime) (soap scum) (oil) (sticky messes) without (harmful) (harsh) (hazardous) (dangerous) chemicals	No worries about pet licking after cleaning Fragrance Free, won't irritate your dog's nose
Simple (natural) ingredients (without (harmful) (harsh) (dangerous) (hazardous) chemicals)	No harsh fumes to irritate (pet) (dog) noses
Stops (removes) (kills) odor in sports gear	Cleans up the pet mess. Rinse-Free Spray
Natural cleaner as effective as conventional cleaners	Use around Pet (food) (water) bowls
Natural cleaner	Spray on pet chew toys, no rinse required
Eco-friendly cleaner	Worry free use in (kennels) (litter box) (pet areas)
Hypoallergenic	(Easy) (and) (convenient) to use
Natural cleaner that's kinder to our environment	Bleach free
A (gentle) (mild) way to clean (list any use sites from Table 1)	Stops (the toughest) odors (at the source)
(Gentle) (Mild) (cleaning) (cleaner)	Eliminates (the toughest) odors
Gentle on the surfaces touched most	Eliminates odors & freshens air
Colorsafe cleaner	VOC compliant
Cleans as effectively as bleach	

<p>Will not whiten or bleach (surfaces) (or) (clothes)</p> <p>(Controls) (stops) (prevents) Pet odors from bacteria</p> <p>Tough on bacteria, yet gentle on surfaces</p>	<p>[Use] for [preschool] [daycare] [office] [assisted living] [senior care] (schools) kitchens</p> <p>Multi-Purpose Cleaner</p> <p>Multi-purpose cleaner (deodorizer) with no harmful (dangerous) (harsh) chemicals</p> <p>Cleans sticky messes &amp; odors.</p> <p>Can be used in Schools, Universities for routine cleaning</p> <p>Can be used in gyms for routine cleaning</p> <p>Can be used for cleaning</p> <p>Athletic facilities cleaner</p>
--	--

#### Disinfecting & Sanitizing

<p>Kills 99.9% of germs* including Staph, MRSA, Salmonella, Listeria and the viruses that cause flus*</p> <p>Transforms salt, water &amp; vinegar into an two step cleaner, deodorizer &amp; disinfectant (as effective as bleach)</p> <p>Disinfects (sanitizes) as effectively as bleach with no (harmful) (dangerous) chemicals</p> <p>Kills 99.9% of odor-causing bacteria,</p>	<p>Kills 99.9% of bacteria like Salmonella (on) (food contact surfaces) (food preparation surfaces) (food serving areas). Rinse surface with water after use.</p> <p>Kills 99.9% of bacteria*</p> <p>Kills 99.9% of bacteria* on food contact surfaces. Rinse surface with water after use.</p>
--	---

Staph & MRSA	(Easy) (convenient) way to sanitize
Disinfecting (sanitizing) spray	Tough on Germs*
Disinfects (sanitizes) without (harsh) (harmful) (dangerous) (hazardous) chemicals	Kills 99.9% of bacteria* (on) (food contact surfaces) (food preparation surfaces) (food serving areas) Rinse after use.
Hard non-porous surface (sanitizer) (sanitizing spray)	For (sanitizing) (disinfecting) (food service) dining tables. Rinse surface with water after use.
Hard non-porous surface (disinfectant) (disinfecting spray) (Sanitizer) (Sanitizing spray)	Kills 99.9% of household bacteria
(Daily) (everyday) kitchen (sanitizer) (disinfectant)	(Kills) (eliminates) (destroys) (removes) 99.9% of bacteria on commonly touched (hard, non-porous) surfaces
Disinfects (sanitizes) without leaving (harmful) (dangerous) (unsafe) residues	(Destroys) (eliminates) (food) pathogens (Listeria) (Salmonella)
No (harmful) (dangerous) chemicals yet more powerful than bleach	Rinse free (no rinse required) disinfectant (sanitizer)
Destroys (Controls) (Eliminates) (Kills) (99.9%) of (Germs*) (Bacteria) (Viruses) (Bacteria & Viruses) (Flu virus*) (Norovirus) (Staph) (MRSA) (Salmonella) (Listeria)	Kills (controls) (removes) (stops) mold (mildew) (fungus) (athlete's fungus)
(Destroys) (Controls) (Eliminates) (Kills) (Respiratory Viruses) & (Flu virus*)	An easy way to (kill) (eliminate) (destroy) (remove) 99.9% of (bacteria) (germs*) in your (bathroom) (home) (house) (kitchen)
Kills Flu Virus*	Helps reduce the risk of cross-contamination on hard, non-porous surfaces
Kills 99.9% of germs* on virtually any surface	Can reduce the spread of illness-causing (kitchen) bacteria (on hard, nonporous surfaces)
(Easy) (convenient) way to disinfect (sanitize)	
Disinfectant	Broad Spectrum Disinfectant

Disinfects	Bactericide – or Bactericidal
Sanitizer	Bathroom Disinfectant
Sanitizes	Bacteria fighting
One of nature’s most effective disinfectants	Bactericide
(Easy) for food contact sanitization (list organisms). Rinse surface with water after use.	Disinfects after it cleans
The easy way to sanitize (disinfect) food operations (dining areas, countertops, checkouts)	Disinfects tables
Food-contact surface sanitizer. Rinse surface with water after use.	Disinfects countertops
Eliminates odors caused by bacteria	Fight Bacteria
Food (contact) (preparation) (hard, non-porous) surface (sanitizer). Rinse surface with water after use	(Destroys) (Controls) (Eliminates) (Kills) the germs* on chew toys
Leaves household hard non-porous surfaces sanitized	Stop the spread of germs*, spray on animal chew toys
Kills antibiotic resistant Methicillin-resistant Staphylococcus aureus MRSA bacteria	(Destroys) (Controls) (Eliminates) (Kills) germs*, yet effective enough to use on pet (cages) (crates)
Kills 99.9% of antibiotic resistant bacteria like Methicillin-resistant Staphylococcus aureus MRSA	Hard Non-porous Surface Sanitizer for Pet messes
Litter box sanitizer (disinfectant) (spray)	Fight(s) and/or Kills (Effective against) Pseudomonas aeruginosa (tested against strain ATCC 15442)
Kills the germs* on hard (non- porous) surfaces from pet accidents	Fight(s) and/or Kills (Effective against) Staphylococcus aureus (tested against strain ATCC 6538)
	Fight(s) and/or Kills (Effective against) Salmonella enterica (tested against strain ATCC 10708)
	Two step cleaner and disinfectant
	Two-Step Cleaner / Disinfectant when

Kills 99.9% of (bacteria) (germs*)	Disinfection directions are followed
Kills 99.9% of (bacteria) (germs*) (such as) (Salmonella) (and) (MRSA) (Methicillin Resistant Staphylococcus aureus)	Restroom disinfectant
Kills 99.9% of bacteria*	For use in (newborn) nurseries
Kills 99.9% of germs*	For use in neonatal nurseries
Kills bacteria*	Kennel disinfectant (sanitizer)
Kills germs*	(Destroys) (Controls) (Eliminates) (Kills) germs* on (animal) (pet) toys
Kills 99.99% of viruses*	(Destroys) (Controls) (Eliminates) (Kills) germs* on (animal) (pet) chew toys
Kills household bacteria*	Food serving area sanitizer
Kills (household) bacteria*	Sanitizes food-contact (preparation) surfaces. Rinse surface with water after use
Kills kitchen and bathroom bacteria*	Sanitizes food serving areas. Rinse surface with water after use.
Kills 99.9% of bacteria and viruses*	Kills 99.9% of bacteria (including Salmonella) (on) (in) (food contact surfaces). Rinse surface with water after use.
Kills odor-causing bacteria* (Kills) (Destroys) (Eliminates) germs* (Kills) (Eliminates) odor-causing bacteria* in the (kitchen) (bathroom) (restroom) (all around the house on hard, non-porous surfaces)	Can be used in Schools, Universities for disinfecting
Kills (kitchen) (bathroom) (hold) germs*	Can be used for disinfecting
Kills bacteria* and viruses* on hard, non-porous (kitchen) (bathroom) (restroom) (household) surfaces (in 10 minutes)	Athletic facilities disinfectant
Proven to kill 99.9% of (bacteria*) (germs*) (such as) (Salmonella) (and) (MRSA) (Methicillin resistant	Can used in hospitals
	Nursery School Disinfectant

<p>Staphylococcus aureus)</p> <p>Proven to kill 99.9% of bacteria (such as Salmonella and MRSA)</p> <p>Removes (bacteria) (germs*)</p> <p>(Kills) (eliminates) (destroys) 99.9% of bacteria on hard, nonporous surfaces in Pet living areas</p> <p>(Kills) (eliminates) (destroys) 99.9% of germs* on hard, nonporous surfaces of Pet living areas</p> <p>* Kills (99.9% of) {Insert Organism from Disinfectant list} (on hard, non-porous surfaces) (in 10 minutes)</p> <p>* Kills (99.9% of) (Insert Organism from Disinfectant list) (on hard, non-porous surfaces) (in 10 minutes)</p> <p><b>Sanitization Organism list</b></p> <p>* Salmonella enterica (Salmonella), Staphylococcus aureus (Staph), Methicillin Resistant Staphylococcus aureus (MRSA), Pseudomonas aeruginosa (Pseudomonas), Listeria monocytogenes (Listeria), Feline Calicivirus, Strain F-9, Influenza A virus</p> <p><b>Disinfection Organism List</b></p> <p>* Salmonella enterica (Salmonella), Staphylococcus aureus (Staph), Methicillin Resistant Staphylococcus aureus (MRSA), Pseudomonas aeruginosa (Pseudomonas), Listeria monocytogenes (Listeria), Feline Calicivirus, Strain F-9, Influenza A virus</p>	
--	--

<p><b>* Qualified Germs List</b></p> <p>Kills Pseudomonas aeruginosa, Staphylococcus aureus, Salmonella enterica, Listeria monocytogenes, Methicillin Resistant Staphylococcus aureus - MRSA and Influenza A Virus, Strain A/Hong Kong/8/68, Feline Calicivirus, Strain F9</p>

Use Sites (Table 1) For use on hard, non-porous surfaces.

Around Toilet Areas	Boat interiors
Around Toilets	Breast pump parts
Automobiles	Breast pumps
Animal Equipment	Cabinet Handles
(Bath)tubs	Cabinets
Bathroom (countertops)	Can openers
Bathroom (surfaces)	Cars
Beverage bars	(Computer) Keyboards
Blinds	Counter(s) Countertop(s)
Door Handles	Car interiors
Doorknobs	Cupboards
Doors	Dining Room Tables
Drainboards	Dish Racks

Dryers	Dishwashers
(Kitchen) Appliances	Ceramic -and/or- Glazed Tile
(Kitchen) (Bathroom) Sinks	Chrome
(Inside) Refrigerators after warming to room temperature.	Corian
Refrigerator exteriors	Food Contact Surfaces-hard non-porous. Rinse surface with water after use
Microwave exteriors	Food Preparation (surfaces) (areas)
Restrooms	Food serving areas
Shower (Faucets) (Doors) (Handles) (Fixtures) (Walls) (Floors)	Food trays
Sink (Faucets) (fixtures) (Handles)	Grills
Soap Dispensers	Grocery Carts
Storage Areas	(Grocery) Checkout Areas
Stovetops	Handrails
Steering wheel	Inside Dishwasher(s)
Thermos	Inside freezers after warming to room temperature
Toasters	Inside microwaves
Toilet [(Flushing) (handles) (seats)]	Sports gear (helmets) (pads) (gloves) (skates) (cleats) (sneakers)
Shower curtains	Neti Pots
Inside Washing Machines	Oven doors
Garbage (trash) cans	Ovens
Waste baskets	Pet Bowl(s) (Areas)
Floors	Pet Feeding Dishes
Orthotics	

Kitchen (Counter)tops	Pet Cages (crates)
(Kitchen) (dining room) Tables	Pet Toys
Kitchen surfaces	Piano Keys
Kitchen tools	Plastic Cutting Boards*
Laundry Rooms	Plastic Patio Furniture
Light Switches	Potty-Chair(s) (Seats)
Litter box	Range hoods
Medicine Dropper	Recycling Bins
Mouthguards	Food Contact Surfaces-hard non-porous
Range tops	Food Preparation (surfaces) (areas)
(Salad bar) Sneeze Guards	Food serving areas
Snack counters	Food trays
Bathroom Fixtures	Freezers
Bath Tub	Grills
Bed heads and frames	Glass
Bedpans	Garbage or Trash Cans/Pails
Hard, Non-Porous Surface Cabinets	Gurneys
Ceilings	Hampers
Hard, Non-Porous Chairs	Environmental Dental Surfaces
Classroom Desks	Frequently Touched Spots
Computer Monitors and Keyboards	Keyboards
Hard, Non-Porous Countertops	Lamps
Counters	

Dental Countertops	Light Lens Covers
Dental Operatory Surfaces	Linoleum
Dental Chairs	Mirrors
Drinking water fountain	Patient Chairs
Diaper pails	Plastic Mattress Covers
Elevators	Reception Counters, Desk and Areas
Exam or examination tables	Shelves
External Surfaces of Medical Equipment or Medical Equipment Surfaces: Excluding hard, non-porous surfaces requiring sterilization such as scalpels hemostats, endoscopes, and dental tools used in the incisions or oral and nasal cavities of patients.	Showers
External Surface of Ultrasound Transducers	Shower curtains
Faucets	Towel Dispensers
Fixtures	Exterior of Urinals
Floors	Walls
Sinks	Wash Basins
Stall Doors	Dairy cases
Stretchers	Wheel Chairs
Tables	Bed Rails and Frames
Exterior surface of Toilets	Hard Non-Porous Surfaces in Veterinary and Animal Research Labs
Toilet Seats	Troughs

**USE SURFACES (Table 2):**

Non-Porous Plastic	Brushed or Polished Nickel
Plastic	Brushed Bronze
Glazed Porcelain	Chrome
Sealed Granite	Enamel
Sealed Marble	Formica
Sealed Quartz	Glass
Sealed Stone	Granite
Stainless Steel	Hard non-porous surfaces
Tile	Limestone
Vinyl	Melamine
Finished -and/or- painted Wood	Mirror
Composite	Aluminum Brass
Glass	
Metal	
Aluminum	ABS (Acrylonitrile butadiene styrene) plastics
Plastic	Copper
Polyacrylic	Natural Rubber , non-porous
Polycarbonate	Silver
Polypropylene	
Porcelain, non-porous	
Slate	
Stainless Steel	

Terrazzo	
Tile, non-porous	
Feed Racks	

Use Locations

Airplanes	Locker Rooms
Ambulances	Yoga studios
Assisted Living Facilities	Pharmacies
Blood Banks	Physical Therapy Rooms or Areas
Boats	Private Facilities
Buses	Processing Plants
Businesses	Public Areas
CAT Laboratories	Wineries / Breweries
Casinos	X Ray rooms
Colleges	Yachts
Commercial Buildings	Radiology or X-Ray Rooms or Areas
Convenience Stores	Retail Stores
Cruise Liners / Ships	Restaurants
Churches	Restrooms and or Rest Areas

Daycare Facilities	Shelters
Dentist (Dental) Offices	Office Buildings
Dentist (Dental) Chairs	Orthopedics
Dental Operatory Rooms	Veterinary Environments and Animal Equipment
Doctor Offices	Automatic Feeders
Dormitories	Cages / Pens
Emergency Rooms	Veterinary Environments and Animal Research Labs
Facilities	Pet Areas
Factories	Pet Shops and Stores
Fountains	Small Animal Facilities
Funeral Homes	Veterinary and/or Animal Hospitals
Gas Stations	Veterinary Clinics or Facilities
Government Facilities	Veterinary Offices
Grocery Stores	Animal Research Labs
Gyms	Veterinary Clinics
Hotels	Veterinary Stores
Hospitals Facilities	Veterinary Hospitals
Healthcare Facilities	
Health Clubs Facilities	
Home care facilities	
Industrial Facilities	
Institutional Buildings	
Intensive Care Units	

Kitchens	
Laboratories	
Laundromats	
Locker Rooms	
Malls	
Manufacturing Facilities	
Manufacturing Plants	
Medical Clinics	
Military Installation and Facilities	
Nursery Schools	
Nursing Stations	

#### **STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store in a closed plastic container in a cool, dry area away from heat and sunlight. Do not store near easily oxidizable materials acids and reducers. In case of spill, flush area with water.

**Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility.

**Container Handling:** Refillable container. Refill container with Force of Nature solution only. Do not reuse this container for any other purpose. Cleaning before refilling is the responsibility of the refiller.

Cleaning the container before final disposal is the responsibility of the person disposing the container. To clean the container before final disposal fill container half way with water and shake vigorously. Dispose of rinsate as pesticide waste. Repeat this rinsing procedure two more times. Then offer for recycling or puncture and dispose of in a sanitary landfill, or by incineration, or by procedures allowed by state and local authorities.

**Important Safety Instructions**

Read all instructions before  
using this product.

**Caution:** To reduce the risk of  
fire, electric shock, damage to  
the product or injury:

The Force of Nature appliance is only designed for use in a  
110/120/240V outlet.

To avoid electric shock, do not touch the appliance with wet hands.

If the cord or plug appears damaged, return the cord to Force of  
Nature, address at [Forceofnatureclean.com/support](https://forceofnatureclean.com/support) and we will  
replace it.

To be only powered by certified switching power supply from  
Merryking Enterprises (HK) Co Ltd, model MKS-0903000.

Any attempts to repair the Force of Nature appliance without  
written permission from Force of Nature will void the warranty and  
could cause personal injury to the consumer and/or result in severe  
damage to the unit.

Do not pull, carry, lift or drag the appliance by the power cord.  
Remove the power plug from its outlet by grasping the plug itself  
and pulling gently.

Use only for cleaning and disinfecting.

Do not consume electrolyzed water.

Use only in well ventilated areas.

Avoid contact with eyes. If in eyes, rinse well with water. If irritation persists, seek medical attention.

This product should not affect skin. However, if skin becomes irritated, rinse skin with plenty of water. If irritation persists, seek medical attention.

Do not use to formulate your own homemade cleaner or disinfectant.

Do not clean the Force of Nature bottles with anything but tap water.

This appliance is not intended for use by people (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

Children should be supervised when using the appliance.

Page 2

 **Caution:** To insure proper solution concentrations and optimal

## disinfecting power follow these instructions:

Use Force of Nature multi-purpose cleaner and disinfectant within 14 days after making it. Discard left over solution after 14 days and rinse only with tap water before running a new cycle. If you don't want to keep the Force of Nature Activator Base plugged in, write the expiration date on the back of the Spray Bottle with a permanent marker.

After making your multi-purpose cleaner and disinfectant, transfer it immediately to Spray Bottle.

Do not overfill or under-fill the Spray Bottle.

Add only one Activator Capsule per batch.

Do not run more than one cycle per bottle.

Do not remove bottle prior to "END" alert from device.

### To Clean

- Spray the surface or cloth and then wipe the surface dry.

### To Disinfect

1. Clean the surface.
2. Spray the surface until thoroughly wet.
3. Wait 10 minutes and then wipe the surface.

Store Force of Nature multi-purpose cleaner in the Spray Bottle at room temperature away from direct sunlight.

Empty capsules can be recycled.

Page 3

## Operating Instructions

Plug power cord into back of Force of Nature Activator Base.

Open flip top of Activator Bottle.

Fill up to line with cool tap water. Note, water should be less than 100 ppm hardness for optimum device longevity.

Add contents of 1 Activator Capsule.

Close cap & connect contacts on bottle to contacts on Activator Base.

Wait 10 seconds to allow the solution to disperse.

Press Start button at the top of the Activator Base & release.

Ensure the vent hole on the top of the Activator Bottle is not blocked while making the Force of Nature solution.

Bubbles will appear & display begins countdown to zero. In about 7

minutes, the display will say "END", and the solution is ready to use.

Pour solution from Activator to Spray Bottle & put on the Spray cap. To properly align the spray head, note the arrow on the neck of the bottle and arrow on the spray head. Align the arrow on the spray head a quarter of a turn to the right of the arrow on the bottle then push spray head down and twist clockwise to align the arrows.

Hold the spray bottle by the white collar to prevent the bottle from twisting while removing and re-connecting the cap.

If filling multiple bottles, unplug power for 30 seconds between cycles.

If ERR(ERROR) message appears, wait 10 seconds and then press the Start Button TWICE at the top of the Activator Base and release.

Store Force of Nature multi-purpose cleaner and disinfectant in the spray bottle at room temperature away from direct sunlight.

You can store up to 5 Activator Capsules on the back of the Activator Base.

Empty capsules can be plastic recycled.

- Eliminates the toughest odors – trash cans, sports equipment like pads & helmets, shoes, cat litter boxes, pet accidents
- Disinfects baby-friendly surfaces with no rinsing needed. Pacifiers, highchair trays, toothbrushes, bibs, toys, strollers, car seats. Pre-clean, then spray, wait 10 minutes, and the surface is disinfected.
- Disinfects on-the-go – Great for germ\* containing non-hard porous surfaces like on shopping carts, doorknobs, cars, and airplane seat areas.

\* Pseudomonas aeruginosa, Staphylococcus aureus, Salmonella enterica, Listeria monocytogenes, Methicillin Resistant Staphylococcus aureus - MRSA, Influenza A Virus, Strain A/Hong Kong/8/68, Feline Calicivirus, Strain F9

### Trouble Shooting

If ERR(ERROR) message appears, wait 10 seconds and then press the Start Button TWICE at the top of the Activator Base and release.

If nothing happens after pressing the Start Button, please unplug the base, wait 20 seconds, then plug the base back in again and ensure that the plug is properly plugged in and the bottle is correctly placed on the contacts on the base. Press Start Button again.

If at first the Spray Bottle won't dispense, pull the trigger a number of times until the Spray Bottle dispenses.

## Ordering Force of Nature Supplies

Force of Nature supplies can be purchased at [forceofnatureclean.com](http://forceofnatureclean.com)

Page 5          Warranty

### **ONE-YEAR LIMITED WARRANTY**

Force of Nature's warranty for this product is limited to the terms set forth below:

Force of Nature Warrants this product against defects in materials and workmanship under normal use for a period of ONE (1) YEAR from the date of retail purchase by the original end-user purchaser ("Warranty Period"). If a defect arises and a valid claim is received within the Warranty Period, at its option and to the extent permitted by law, Force of Nature will either (1) repair the product at no charge, using new or refurbished replacement parts, (2) exchange the product with a product that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original product, or (3) refund the purchase price of the product. When a refund is given, the product for which the refund is provided must be returned to Force of Nature and becomes Force of Nature's property.

### **ITEMS EXCLUDED FROM WARRANTY**

This limited warranty does not cover: (a) Damage resulting from accident, alteration, abuse, misuse, flood, fire, earthquake, Acts of God, or other external causes; (b) Cosmetic damage, including scratches, dents, chips, or other damage to the finish of your product, unless such damage results from defects in materials or workmanship and is reported to Force of Nature within 30 days from the date of purchase; and (c) Damage caused by operating the product outside the permitted or intended uses described by Force of Nature.

This limited warranty does not cover commercial use of the Force of Nature.

Force of Nature is not responsible for damage arising from failure to follow instructions relating to the product's use.

### **DISCLAIMER OF IMPLIED WARRANTIES**

FORCE OF NATURE'S RESPONSIBILITY IS LIMITED TO REPAIR OR REPLACEMENT AS DETERMINED BY FORCE OF NATURE IN ITS SOLE DISCRETION. ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN TIME TO THE TERM OF THIS LIMITED WARRANTY. NO WARRANTIES, WHETHER EXPRESS OR IMPLIED, WILL APPLY AFTER THE EXPIRATION OF THE LIMITED WARRANTY PERIOD.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. This limited warranty gives you specific rights, and you may also have other rights which vary from state to state.

### **LIMITATIONS OF REMEDIES, EXCLUSIONS OF INCIDENTAL AND CONSEQUENTIAL DAMAGES**

YOUR SOLE AND EXCLUSIVE REMEDY UNDER THIS LIMITED WARRANTY SHALL BE PRODUCT REPAIR OR REPLACEMENT AS DETERMINED BY FORCE OF NATURE IN ITS SOLE DISCRETION. FORCE OF NATURE SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation and exclusion may not apply to you. This limited warranty gives you specific legal rights, and you also may have other rights that vary from state to state.

### **OBTAINING WARRANTY SERVICE**

During the Warranty Period, if a Product or one of its parts qualifies for replacement or service under the Warranty, Force of Nature requests that the consumer contact Force of Nature Consumer Support at [forceofnatureclean.com](http://forceofnatureclean.com) for further instructions on the Warranty claim process, to address the Warranty claim, or to otherwise address any steps to repair and/or replace the Product or part.

Force of Nature will send a pre-paid shipping label via email so that the Product may be sent to Force of Nature at no cost to the consumer. Upon receipt of the Product, Force of Nature may ship

the replacement or contact the consumer with further information regarding repair options for the Product. Typical response time to address Warranty claims is up to 60 business days, plus shipping depending on the geographical location of the consumer and type of damage or the nature of such Warranty claim.

For additional protection of the Product and to ensure secure handling while the Product is being return for any Warranty repair, Force of Nature recommends that consumers employ Force of Nature's shipping label or a traceable, insured delivery service. Force of Nature is not responsible for any damage while a Product is in transit or for the Products shipped by the consumer that are not received by Force of Nature or a designated Authorized Servicer.

#### **WARRANTY NOTICE TO CALIFORNIA RESIDENTS ONLY**

California residents may initiate Warranty service by calling Force of Nature Consumer Support toll-free at 1-888-985-8099. California law also provides that for any Warranty service for a Product, California residents have the option of returning the Product (a) to the retailer from which it was originally purchased or (b) to another retailer that sells the same Force of Nature Product, among other rights and consumer protections California residents need only supply their Proof of Purchase in each case above, or to contact Force of Nature for Warranty service, consumer should call Force of Nature Consumer Support for specific instructions. Force of Nature will only be responsible for the cost of repair, replacement or reimbursement and shipping and handling for such Products under its Warranty. A retail store to which a California Resident returns a Product for Warranty service may refer the customer to Force of Nature Authorized Servicer, replace the Product, or refund the

purchase price less the amount directly attributable to the consumer's usage of the Product. If the above options do not result in the appropriate remedy to the consumer, the consumer may then take the Product to an independent repair facility if service or repair can be economically accomplished. Force of Nature, and not the consumer will be responsible for the reasonable costs of such service, repair replacement or reimbursement during the Warranty Period for the Product if such Product is subject to Force of Nature Limited Warranty.
