

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

93332-1

Date of Issuance:

3/26/18

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

Proven Insect Repellent Lotion

Name and Address of Registrant (include ZIP Code):

Melrose Holdings
8283 Melrose Dr.
Lenexa, KS 66214

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Elizabeth Fertich, Product Manager 04
Invertebrate & Vertebrate Branch 1, Registration Division
(7505P)

Date:

3/26/18

2. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, “EPA Reg. No. 93332-1.”
3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 03/20/2018

If you have any questions, please contact Jennifer Gaines at 703-305-5967 or via email at gaines.jennifer@epa.gov.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS. Causes substantial but temporary eye injury. Do not get in eyes or clothing. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco or using the toilet.

Discontinue use and consult a doctor if irritation or rash occurs.

FIRST AID: If in eyes: Hold eye open and rinse with water for 15-20 minutes. Remove contact lenses, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. If swallowed: Call a doctor or poison control center immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless advised by a Poison Control Center or a doctor. Do not give anything to an unconscious person. Have the container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 800-410-3063 for emergency medical information

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Apply evenly to skin in a thin layer. Do not exceed two applications per day. Avoid contact with eyes, lips, cuts, wounds, irritated or excessively sunburned skin. Do not apply under clothing. Apply on face by first spreading small amounts in palms of hands and spreading on face and neck, avoiding your eyes. Apply sparingly around ears. Do not

apply to the hands of small children. When using on children, apply to your hands and then apply to the child. Do not apply to their hands. To apply to a child's face and neck, apply the product into your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around ears. Do not allow children to handle the product. Use of this product does not eliminate all risk of contracting a mosquito or tick-borne illness.

STORAGE AND DISPOSAL Pesticide Storage: Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame. Pesticide Disposal and Container Handling: Non-refillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 800.526.9377 for disposal instructions. Never place unused product down any indoor or outdoor drain.
