

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Registration Division (7505P)
 1200 Pennsylvania Ave., N.W.
 Washington, D.C. 20460

EPA Reg. Number:

93632-1

Date of Issuance:

2/13/20

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

BotanEQS Black

Name and Address of Registrant (include ZIP Code):

Nicole O'Loughlin
 Arizona Life Sciences, LLC
 c/o Pyrxis Regulatory Consulting, Inc.
 4110 136th Street Ct. NW
 Gig Harbor, WA 98332

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Elizabeth Fertich
 Product Manager 04
 Invertebrate Vertebrate Branch I, Registration Division (7505P)
 Office of Pesticide Programs

Date:

2/13/20

2. You are required to comply with the data requirements described in the DCI or EDSP Order identified below:
 - a. Pyrethrins GDCI-069001-1058
 - b. Pyrethrins GDCI-069001-1195
 - c. Pyrethrins GDCI-069001-1290
 - d. Piperonyl Butoxide GDCI-067501-1063

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCI or EDSP Order listed above, you may contact the Chemical Review Manager in the Pesticide Reevaluation Division:

<http://iaspub.epa.gov/apex/pesticides/f?p=chemicalsearch:1>

3. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, “EPA Reg. No. 93632-1.”
4. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 05/29/2019

If you have any questions, please contact Jacquelyn Herrick by phone at 703-347-0559, or via email at herrick.jacquelyn@epa.gov.

FIRST AID	
If in eyes:	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor for treatment advice.
HOTLINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide concerns), call National Pesticide Information Center at 1-800-858-7378.	

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

DO NOT USE ON CATS OR KITTENS. Do not treat cats or their bedding. This product may be toxic or potentially fatal if applied to or ingested by cats or kittens.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help ensure that wind or rain does not blow or wash pesticide off the treated area. Do not apply directly to or near water. Drift and run-off from treated areas may be hazardous to fish in water adjacent to treated areas. Do not contaminate water when disposing of equipment wash water or rinsate. See Directions for Use for additional precautions and requirements.

This pesticide is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product to allow it to drift to blooming crops if bees are visiting the treatment area.

PHYSICAL & CHEMICAL HAZARDS

Combustible. Do not use or store near heat or open flame. Do not mix or allow to come into contact with oxidizing agents. Hazardous chemical reaction may occur.

**READ ENTIRE LABEL BEFORE EACH USE
WHEN USED ON ANIMALS – USE ONLY ON HORSES, PONIES, FOALS (Over 12
Weeks of
Age)**

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS

- Do not store near or use with oxidizing agents.
- This product is not for use on foals less than 12 weeks of age.
- This product is not for use on [animals] [horses] intended for human consumption.
- Remove or cover exposed food and drinking water before application.
- Remove or cover dishes, utensils, food processing equipment and food preparation surfaces or wash them before use.
- Do not wet articles to point of runoff or drip.
- Remove pets, birds and cover fish aquariums before spraying.

{Note to reviewer: the following additional restrictions will be included on labeling which includes premise treatments.}

- Do not apply as a space, broadcast or spot treatment to indoor surfaces at residential sites.
- All outdoor applications must be limited to spot or crack-and-crevice treatments only.
- Except when applying directly to horses, 1) do not allow adults, children or pets to enter the treated area until sprays have dried; 2) do not apply this product in away that will contact adults, children or pets either directly or through drift. Exit area immediately and remain outside the treated area until sprays have dried.
- Do not use treated article until spray has dried.
- Application is prohibited directly into sewers or drains or to any area like a gutter where drainage to sewers, storm drain during or after application, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

HOLD CONTAINER UPRIGHT. SHAKE WELL BEFORE USING.

{Spray or wipe-on packaging instructions:}

Spray or wipe-on. Protect your horses. Ready to use. No mixing necessary. This water-based formulation may be applied directly with spray applicator or as a wipe-on.

{OR}

{Ready-to-use roll-on packaging instructions:}

Ready to use. No mixing necessary.

17-day weatherproof formula provides long-lasting repellency and protection from biting and nuisance flies, gnats, ticks and mosquitoes. This unique formula also contains multiple sunscreens and coat conditioners including Aloe and Lanolin and it is scented with Citronella.

HORSES, PONIES, AND FOALS (Over 12 Weeks of Age):

Kills and repels biting and nuisance flies, gnats, mosquitoes and ticks for up to 17 days. Kills Horse Flies, Stable Flies, Face Flies, Horn Flies, Deer Flies, House Flies, Black Flies, Cluster Flies, Sciariid Flies, Gnats, Midges, Punkies, No-See-Ums, Deer Ticks, Lone Star Tick, Chiggers, American Dog Ticks, Brown Dog Ticks, Gulf Coast Ticks, Fleas and Lice.

{Spray or wipe-on packaging instructions:}

USE AS A WIPE OR A SPRAY: This product may be applied either as a wipe or as a spray. When applying as a wipe or on the horse's face, always use a soft cloth. First, brush animal to remove excess dirt and dust. Spray or wipe horse's entire body while brushing against the lay of the coat to ensure adequate coverage. Avoid getting spray into horse's eye, nose or mouth.

Do not wet skin or apply to the point of dripping or exceed two ounces per application. Reapply every 7- to 10 days under normal conditions for initial applications. As protection builds, reapply every 12 to 17 days as needed. Also, reapply each time animal is washed or exposed to heavy rain for best results. After application, brush thoroughly to bring out bright sheen on the coat.

{OR}

{Ready-to-use roll-on packaging instructions:}

Do not wet skin or apply to the point of dripping or exceed two ounces per application. Reapply each time animal is washed or exposed to heavy rain for best results. After application, brush thoroughly to bring out bright sheen on the coat.

Remove cap from bottle. Apply around horse's and pony's nose, eyes, ears and mouth. May also be used as a spot treatment on areas where flies gather. Avoid direct application to eyes, nose and mouth. Replace cap after use. For initial treatment, apply daily for 2 to 3 days.

{Spray or wipe-on packaging instructions:}

DOGS SLEEPING QUARTERS

Spray around baseboards, windows, door frames, wall cracks, and localized areas of floors. The pet's bedding areas should be sprayed. Spray old bedding or replace with fresh bedding.

DO NOT USE ON CATS OR KITTENS. Do not treat cats or their bedding. This product may be toxic or potentially fatal if applied to or ingested by cats or kittens.

{Spray or wipe-on packaging instructions:}

USE AS A PREMISE SPRAY: Kills insects on contact: Carpenter Bees, American Cockroaches, Asian Cockroaches, Brown Banded Cockroaches, German Cockroaches, Oriental Cockroaches, Smokey Brown Cockroaches, Black Widow Spiders, Cellar Spiders, Fire Ants, Carpenter Ants, Pharaoh Ants, Foraging Ants, Grain Mites, Clover Mites, Beetles (including Carpet, Flat Grain, Flour, Cigarette, Confused Flour, Drugstore, Lesser Grain Borer, Merchant Grain, Sawtoothed Grain, Warehouse, Red Flour, Ground, Elm Leaf and Rice Weevils), Palmetto Bugs, Water Bugs, Cadelles, Indian Meal Worms, Sowbugs, Boxelder Bugs, Earwigs, Pillbugs, Firebrats, Silverfish, Clothes Moths, Booklice, Centipedes, Millipedes, Crickets, Earwigs, Scorpions, flying moths (Almond, Chocolate, Tobacco, Indian Meal and Angoumois Grain and other flying moths). Spray in areas where insects congregate. Apply at a rate of 1 gallon per 1000 sq. ft. [1 quart [32 oz] per 250 sq. ft.] [1 oz per 8 sq. ft.]. Direct spray to contact insects for rapid knockdown and kill. Spray around door facings and screens to render area unattractive to insects. This will help to repel insects and prevent entrance into building.

STORAGE AND DISPOSAL

Pesticide Storage: Store in a cool, dry (preferably locked) place that is away from heat or open flame, in an area that is protected from freezing (above 32°F) and is also inaccessible to children and animals.

Pesticide Disposal and Container Handling: Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
