Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product, always refer to the above EPA Registration Number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the U.S. Environmental Protection Agency. In order to protect health and the environment, the Administrator, on his or her motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under the Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration or registration review of your product when EPA requires all registrants of similar products to submit such data.

2. Make the following labeling change before you release this product for shipment:
 - Revise EPA Registration Number to read, "EPA Reg. No. 93786-1."
3. Submit one (1) copy of the final printed labeling for the record before you release this product for shipment.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6. A stamped copy of the labeling is enclosed for your records. Please also note that the record for this product currently contains the following acceptable Confidential Statement of Formula (CSF):

- Basic CSF dated 10/10/2022

STORAGE AND HANDLING

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store in original Containers only in a secured area inaccessible to children and unauthorized persons. Store the Containers in a dry, cool well-ventilated and secure area away from heat and direct sunlight. Secure the Containers upright to prevent tipping.

Containers must not be subjected to rough handling or mechanical shock such as dropping, bumping, dragging, or sliding beyond that which would normally occur when moving Containers. Do not transport any vehicles where they occupy the same common airspace as personnel. Transport securely only in an upright position.

Pesticide Disposal: Promptly return all empty Containers to your distributor of Draslovka. Follow proper Container handling directions above.

Pesticide wastes are toxic. Improper disposal of excess pesticide is a VIOLATION OF FEDERAL LAW. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Handling: Do not reuse Container for any other purpose. Return empty Containers for reuse as instructed below.

Container Condition. If Buyer/User fails to give Draslovka notice, within five days after taking possession of any Container, that the Container is not in good condition or repair, or that a cap is not affixed to a Container if one could be affixed, then Buyer/User is deemed to have acknowledged that the Container is in good condition and repair, and that Container caps have been affixed upon those Containers to which a cap can be affixed.

Container Use and Care. Buyer, by using this Product, acknowledges that Buyer knows how to use and operate the Containers and does not require any training, instruction, or advice from Draslovka other than that which Draslovka has provided in its policies and guidelines. Buyer shall not use any Container unless it is marked with a legible label identifying its contents, and shall return to Draslovka any unmarked Container for credit. Buyer shall not cause or permit: (a) any foreign material to enter any Container; (b) any change, defacement, or removal of any "D.O.T.," "T.D.G.," "Draslovka" or other

markings, symbols, or warnings from any Container; (c) the use of oil, grease, or other lubricants on any part of a Container; or (d) the conversion of any Container from one gas service to another.

Return of Containers. As Containers require refilling, or upon the termination of the Agreement as to any Containers or the cessation of Buyer's requirements for the related Product, Buyer shall return the Containers to Draslovka, in good condition and repair, ordinary wear and tear excepted, with Container valves tightly closed and Container caps fixed securely in place ("Required Condition"). Buyer shall return Containers to Draslovka by either delivering the Containers to Draslovka at Buyer's expense, or making the Containers available for pickup by Draslovka at the same location where delivery was made to Buyer, at Draslovka's option. Buyer shall not return another Container in substitution of a Container. Draslovka is not required to accept any Container that does not bear a label or mark owned by Draslovka or its affiliates, or any claim of Buyer that a Container was returned unless Buyer presents to Draslovka a copy of a valid signed receipt on Draslovka's form evidencing the return. Draslovka may presume that a Container is lost or destroyed, if Draslovka does not receive the Container in the Required Condition within the 15-day period starting on the earlier of: (a) the date of Buyer's receipt of Draslovka's demand for the Container; or (b) the date of termination of the Agreement as to the Container. Draslovka is not required to reimburse or credit Buyer for the price of any residual Product contained in a returned Container.

TERMS AND CONDITIONS

READ THE FOLLOWING TERMS AND CONDITIONS CAREFULLY BEFORE USING THE PRODUCT. USE OF THE PRODUCT CONSTITUTES AN ACCEPTANCE OF ALL OF THE TERMS AND CONDITIONS CONTAINED HEREIN. IF YOU DO NOT ACCEPT THESE TERMS AND CONDITIONS, IMMEDIATELY RETURN THE UNOPENED CONTAINER FOR A FULL REFUND OF THE ORIGINAL PURCHASE PRICE.
