Subject: Notification per PRN 98-10 – Add grass icon, update company address, and change
"Net Weight" to "Net Contents"
Product Name: INMES S-Metolachlor Technical
EPA Registration Number: 94145-2
Application Date: May 15, 2020
Decision Number: 564264

Dear Mr. O'Loughlin:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance. If you have any questions, please contact Endia Blunt at 703-347-0788 or by email at Blunt.Endia@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Mindy Ondish".

Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Only for formulation into a herbicide for the following uses: alfalfa grown for seed; asparagus; vegetable, legume (crop group 6); root and tuber vegetables (subgroup 1B and 1C); beet, garden, leaves; buffalograss; Brassica head and stem vegetables subgroup 5A; Brassica leafy greens subgroup 5B; leafy petioles (Subgroup 4B plus rhubarb); cilantro/coriander; corn; cotton; vegetable, cucurbit (Crop Group 9); fruiting vegetables (Group 8-10); established grasses grown for seed; guymon bermudagrass for seed production; head lettuce; leaf lettuce; caneberry (Subgroup 13-07A); bushberry (Subgroup 13-07B); low-growing berries (Subgroup 13-07G excluding cranberry); meadowfoam grown for seed; nurseries, turf, and landscape plantings; onion, bulb subgroup 3-07A; onion, green, subgroup 3-07B; peaches; peanuts; radishes grown for seed (excluding daikon); safflowers; sesame; sorghum (sweet, grain or forage); soybeans; soybean, immature seed; spinach; sugar beets; sugarcane; sunflowers (Subgroup 20B); uses for which the US EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration excluding any use strictly prohibited by this label; uses for experimental purposes that are in compliance with the US EPA's requirements. Formulators are responsible for providing data to support registration of products formulated from S-metolachlor Technical.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.
PESTICIDE STORAGE: Keep container tightly closed when not in use. Keep away from heat and flame. Do not store near seed, fertilizers, or foodstuffs. Can be stored at temperatures as low as minus 20°F. Open dumping is prohibited.
PESTICIDE DISPOSAL: Open dumping is prohibited. Wastes resulting from the use of this product are toxic. Improper disposal of unused pesticide is a violation of federal law. Pesticide that cannot be used according to label instructions must be disposed of according to federal, state, or local procedures. For guidance in proper disposal methods, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office.
CONTAINER HANDLING: Nonrefillable Container. Do not reuse or refill this container. Triple rinse as follows: Empty remaining contents into application equipment or mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available or reconditioning if appropriate or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.

NOTIFICATION

94145-2

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

07/28/2020

WARRANTY—CONDITIONS OF SALE

Manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purposes referred to in the "DIRECTIONS FOR USE". To the extent consistent with applicable law, manufacturer makes no other warranties, expressed or implied, including fitness or merchantability. To the extent consistent with applicable law, in no case shall the Manufacturer or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. The foregoing is a condition of sale and is accepted as such by the Buyer.
