HORMIKOL

Name and Address of Registrant (include ZIP Code):

INDUSTRIAS LAFORD, S.A. DE C.V.
7a Calle Oriente #2-5, Santa Tecla
La Libertad, El Salvador

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.
2. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, "EPA Reg. No. 94261-3."
3. Submit one copy of the final printed label for the record before you release the product for shipment.

EPA Form 8570-6

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

The record for this product currently contains the following CSF:

- Basic CSF dated 09/09/2025

If you have any questions, please contact David Gardner at (202) 566-2677 or at gardner.david@epa.gov.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Storage: Keep product in a cool location. Store in original container. Do not store where children or animals may gain access.

Pesticide Disposal: If partly filled call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

Container Handling: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ATTRACTS AND KILLS SWEET EATING ANTS, except fire, pharaoh, harvester, and carpenter ants.

FOR USE IN AND AROUND: Homes, Apartments, Nursing Homes, Mobile Homes, Hospitals, Schools, Garages, Commercial Structures, Offices, Restaurants, Food Processing Establishments, Food Handling Establishments, Grocery Stores, Hotels, Motels, Factories, Detention Facilities, Zoos, Kennels, Ships, Boats, Buses, and Cars

USE RESTRICTIONS: DO NOT USE in areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas

while food is exposed. Avoid contamination of feed and foodstuffs. Place bait in areas inaccessible to children and pets.{Bait station use instructions}

HORMIKOL® Ant Killer Bait Stations

1. Open the packing along the perforated lines. Place the bait station vertically and carefully cut the base of the triangle.
2. Place the bait station horizontally on the surface or you can attach it to walls or furniture where ants pass through.
3. Place the necessary bait stations in different places. Allow bait stations to remain in place for 1 month for better results.
4. You can use the enclosed tape issue if you want the bait station to be attached to a surface, horizontally or vertically.

INDOOR USE: Place the bait stations behind, under or around stoves, refrigerators, dishwashers, sinks, counters, shelving, water pipes, drains, window frames, baseboards and cabinets. Renew bait as needed.

OUTDOOR USE: Keep bait stations near cracks and crevices or voids around windows and doors, porches, screens, eaves, patios, garages, under stairways and in open crawl spaces around structures and other areas where pests hide or nest, such as tree holes and cracks in fences. Renew bait as needed

{Liquid bait use instructions}

HORMIKOL® Liquid Ant Killer Bait:

Tear pieces of cardboard from the carton along the perforated lines or small pieces of cardboard, plastic or aluminum foil can also be used. Apply the product on cardboard, plastic or aluminum foil and place them in the places where the ants go. Apply as many stations as necessary for complete control.

INDOOR USE: Place the bait behind, under or around stoves, refrigerators, dishwashers, sinks, counters, shelving, water pipes, drains, window frames, baseboards and cabinets. Renew bait as needed.

OUTDOOR USE: Keep bait near cracks and crevices or voids around windows and doors, porches, screens, eaves, patios, garages, under stairways and in open crawl spaces around structures and other areas where pests hide or nest, such as tree holes and cracks in fences. Renew bait as needed
