Waterloo, Ontario, N2J 1B1  
Canada

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product, always refer to the above EPA Registration Number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA or the Act).

Registration is in no way to be construed as an endorsement or recommendation of this product by the U.S. Environmental Protection Agency (EPA). In order to protect health and the environment, the Administrator, on his or her motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under the Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration or registration review of your product when the EPA requires all registrants of similar products to submit such data.
2. Make the following labeling change before you release this product for shipment:
  - Revise the EPA Registration Number to read, "EPA Reg. No. 94377-1."

Signature of Approving Official:

Gina Burnett, Senior Regulatory Advisor  
Biochemical Pesticides Branch  
Biopesticides and Pollution Prevention Division (7511P)  
Office of Pesticide Programs

Date:

9/21/2020

3. Submit one (1) copy of the final printed labeling for the record before you release this product for shipment.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6. A stamped copy of the labeling is enclosed for your records. Please also note that the record for this product currently contains the following acceptable Confidential Statement of Formula (CSF):

- Basic CSF dated 05/01/2020

Any CSFs other than those listed above are superseded.

If you have any questions, please contact Menyon Adams of my team by phone at (703) 347-8496 or via email at [adams.menyon@epa.gov](mailto:adams.menyon@epa.gov).

Sincerely,

Gina Burnett, Senior Regulatory Advisor

**EPA Reg. No.:** 94377-R  
**EPA Est. No.:** XXXXX-XXX-XXX

**Net Contents:** 0.39 oz. (11.1 grams). Contains 1 (sachet) (packet).

**Manufactured for:**  
Maxtech Mosquito Control Inc.  
3-173 Roger Street  
Waterloo, Ontario, Canada  
1-519-885-5336

## PRECAUTIONARY STATEMENTS

**Hazards to Humans and Domestic Animals - CAUTION:** May cause severe eye irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contact of mouth, skin, or eyes with the contents. Wash hands before eating, drinking, chewing gum, using tobacco or using bathroom facilities.

**Environmental Hazards:** To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

## DO NOT OPEN (SACHET) (PACKET).

MaxTech Mosquito Attractant is a lure designed to mimic human skin (scents) (emanations) (odors) to attract mosquitoes to traps where they die. The MaxTech Mosquito Attractant can be used in any kind of mosquito traps, either inside or outside, depending on the trap type. Place the MaxTech Mosquito Attractant (sachet) (packet) in the space allocated for added mosquito attractants, either inside or outside the trap. Refer to the trap manufacturer's directions for use for placement. Replace the lure after eight (8) weeks of use.

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

**Pesticide Storage:** Store in a cool, dry place out of reach of children until ready to use.

**Pesticide Disposal and Container Handling:** Nonrefillable container. Do not reuse or refill this container. Dispose of used sachet in the trash.

Text on individual attractant sachets:

- Maxtech Mosquito Control
- MaxTech Mosquito Attractant
- Keep Out of Reach of Children
- CAUTION
- Do not open (sachet) (packet).
- See outside container for directions for use. Replace after 8 weeks of use.
