Ann Tillman
Agent for Surrexis, LLC
c/o Pyxis Regulatory Consulting, Inc.
4110 136th St. Ct. NW
Gig Harbor, WA 98332

Subject: PRIA Label Amendment – Added previously-approved uses to the label as follows: Carrots, Chickpeas, Stone Fruit, (crop group 12-12), and Strawberries and other low growing berries (subgroup 13-07G except cranberry)
Product Name: ARG Difenconazole Technical
EPA Registration Number: 95268-1
Application Date: March 06, 2020
Decision Number: 561383

Dear Ms. Tillman:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Lindsay Roe by phone at 703 347-0506, or via email at roe.lindsay@epa.gov; or Craig Reeves by phone at 703 347-0486, or via email at reeves.craig@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Lindsay Roe", with a stylized flourish at the end.

Lindsay Roe,
Product Manager 22
Fungicide Branch

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, inhaled, or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor or spray mist. Wear long-sleeved shirt and long pants, socks, shoes, and chemical resistant gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish, mammals, and aquatic invertebrates. Drift and runoff may be hazardous to aquatic estuarine/marine organisms in water adjacent to treated areas. For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or regional office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for Formulation into fungicides for the following uses:

1) Seed Treatment Uses – small cereal grains (barley, oats, rye, triticale, and wheat), cotton, potato, rapeseed crop subgroup 20A, and sweet corn

2) Food Uses – artichoke, globe; *Brassica* head and stem vegetable (crop group 5-16); *Brassica* leafy greens (subgroup 4-16B); *Brassica* (cole) (subgroup 5A and 5B) (including for sale to residential consumers, commercially grown in benches, flats, plugs, liners, and beds indoors in greenhouses and outdoors in shade houses, lath houses, other outdoor growing structures and nurseries); bulb vegetables (subgroup 3-07A and 3-07B) (including for sale to residential consumers, commercially grown in benches, flats, plugs, liners, and beds indoors in greenhouses and outdoors in shade houses, lath houses, other outdoor growing structures and nurseries); carrots; chickpeas; citrus fruits (crop group 10-10); cotton (subgroup 20C); cranberry; cucurbit vegetables (crop group 9); dried beans and peas (subgroup 6C) (except chickpea); fruiting vegetables (crop group 8-10) (including for sale to residential consumers, commercially grown in benches, flats, plugs, liners, and beds indoors in greenhouses and outdoors in shade houses, lath houses, other outdoor growing structures and nurseries); ginseng; grapes; guava; kohlrabi; papaya; pome fruit (crop group 11-10); rapeseed (subgroup 20A); soybean; stone fruit (crop group 12-12); strawberries and other low growing berries (subgroup 13-07G except cranberry); rice (including wild); small vine climbing fruit except fuzzy kiwifruit (subgroup 13-07F); sugar beet; tree nuts (crop group 14-12); all vegetables in tuberous and corn subgroup crops (subgroup 1C)

3) Non-Food Uses – golf course turf; outdoor application to established ornamentals in landscaped areas including recreational parks, institutional sites, golf courses, and residential properties by commercial and non-professional (e.g., homeowner) applicators; ornamental plants for sale to residential consumers, commercially grown in benches, flats, plugs, liners, and beds indoors in greenhouses and outdoors in shade houses, lath houses, other outdoor growing structures and nurseries, and ornamental plants in interior plantscapes, and outdoor landscapes and commercial and residential structures;

4) Uses for which US EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration.

5) Uses for experimental purposes that are in compliance with US EPA requirements.

Products formulated from this product will require registration with the EPA.

STORAGE AND DISPOSAL

DO NOT contaminate water, food or feed by storage, disposal or cleaning of equipment.

PESTICIDE STORAGE: Store in a cool, dry, secure place.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: [Note to reviewer: one of the following options will appear on the final label]

[Non-refillable fiber drums with liners:] Non-refillable container. Do not reuse or refill this container. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into manufacturing equipment, then offer for recycling, if available, or dispose of in a sanitary landfill or by incineration. If drum is contaminated and cannot be reused, dispose of it in the manner required for its liner.

[Non-refillable mild steel drum with epoxy coating:] Non-refillable container. Triple rinse as follows: Empty remaining contents into application equipment or mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available or reconditioning if appropriate or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.

CONDITION OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded. The Direction for Use of this Product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, presence of other materials or other influencing factors in the use of the product, which are beyond the control of Surrexis, LLC or Seller. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Surrexis LLC and Seller harmless for any claims relating to such factors. Surrexis LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of Seller or Surrexis LLC, and Buyer and User assume the risk of any such use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, SURREXIS LLC MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE. To the extent consistent with applicable law, neither Surrexis LLC nor Seller be liable for any incidental, consequential or special damages resulting from the use or handling of this product. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF SURREXIS LLC AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF SURREXIS LLC OR SELLER, THE REPLACEMENT OF THE PRODUCT. Surrexis LLC and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of Surrexis LLC.
