

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Biopesticides and Pollution Prevention Division (7511P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

96776-2

Date of Issuance:

9/13/2022

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

Weed Out

Name and Address of Registrant (include ZIP Code):

Performance Chemicals, LLC
40 Industrial Park Dr.
Franklin, NH 03235

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product, always refer to the above EPA Registration Number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA or the Act).

Registration is in no way to be construed as an endorsement or recommendation of this product by the U.S. Environmental Protection Agency (EPA). In order to protect health and the environment, the Administrator, on his or her motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under the Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration or registration review of your product when the EPA requires all registrants of similar products to submit such data.

Signature of Approving Official:

Andrew Bryceland, Team Leader
Biochemical Pesticides Branch
Biopesticides and Pollution Prevention Division (7511M)
Office of Pesticide Programs

Date:

9/13/2022

2. Make the following labeling change before you release this product for shipment:
 - Revise the EPA Registration Number to read, “EPA Reg. No. 96776-2.”
3. Submit one (1) copy of the final printed labeling for the record before you release this product for shipment.

Should you wish to add/retain a reference to your company’s website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA’s Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6. A stamped copy of the labeling is enclosed for your records. Please also note that the record for this product currently contains the following acceptable Confidential Statement of Formula (CSF):

- Basic CSF dated 09/09/2022

If you have any questions, please contact Sydney Hetzel by phone at (202) 566-1606 or via email at hetzel.sydney@epa.gov.

Sincerely,

Andrew Bryceland, Team Leader

Ingredients

Active Ingredient
Pelargonic Acid 1.00%
Other Ingredients 99.00%
Total: 100.00%

KEEP OUT OF REACH OF CHILDREN

WARNING

WEED-OUT is a post emergent weed killer to control or kill all foliage including; annual weeds, perennial weeds, perennial brush and small trees when applied to the foliage. It is a non-Glyphosate derived weed killer and turns into a non-accumulative food source upon decomposition for future planting. Use on weeds, grass, vines, brushes, tree seedlings, moss, algae, etc. This product can be used around the perimeter of field crop and residential vegetable gardens, fruit trees and vines, in and around commercial nurseries, ornamental gardens, and commercial and residential greenhouses, and on and around homes and other buildings, lawns and turf, roofs (cedar shakes and composition shingles), decks, hardscaping including sidewalks and driveways (bricks, stone, gravel, concrete, asphalt), bark mulch, golf courses, parks and playgrounds. Shake bottle thoroughly before using then spray on undesirable vegetation until leaves are completely wet. Thorough saturation is important. For treating individual weeds start at the center of the weed and work your way outward. Repeat application for stubborn areas, re-growth, and plants that sprout from seeds. Once finished, thoroughly wash all application equipment with soap and water. This container covers approximately 100 sq. ft. per Oz.

Net Contents: 32 oz (0.25 Gal.), 64 oz (0.5 Gal.), 128 oz (1 Gal.), 256 oz (2 Gal.)

FIRST AID

If on Skin	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call poison control center listed on container or a doctor for treatment
If In Eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for further treatment advice
If Swallowed	<ul style="list-style-type: none"> • Immediately call a poison control center or doctor for treatment advice. • Have person sip a glass of water if able to swallow • Do not induce vomiting unless told to do so
If Inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1800-424-9300 for emergency medical treatment information

STORAGE AND DISPOSAL:

Do Not Contaminate Food, Feed or Water by Storage and Disposal Storage: Store this product in its original container and keep in secure storage area out of reach of children and animals. Store unused material away from open flame and direct sunlight. Do not store at temperatures below 39°F. Disposal: Non-reusable container. Use contents until empty. Then Place in trash or recycle if available. If partly filled, call your local solid waste agency, or call 1-877-229-3724 for disposal instructions. Never place unused product down a drain of any kind.

For chemical or medical emergency, spills, leaks, fire exposure or accident call CHEMTREC day or night: 1-800-424-9300
