Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Addition of "This product is not a baby wipe" language.  
Product Name: Isopropyl Alcohol Prep Pads  
Admin Number: 98774-3  
EPA Receipt Date: 09/20/2024  
Action Case Number: 00631070

Dear Ivy Zhang:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Steven Snyderman via email at [snyderman.steven@epa.gov](mailto:snyderman.steven@epa.gov).

Sincerely,

Steven Snyderman, Product Manager, Team 33  
RMB 2, AD  
Office of Pesticide Programs

#### PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

#### NOTIFICATION

98774-3

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

09/25/2024

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

#### **ADVISORY STATEMENTS**

If the package is damaged, do not use it. This product is disposable, do not reuse it. **This product is not a baby wipe.**

#### **FIRST AID**

##### **IF IN EYES:**

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

**GENERAL INFORMATION:** Have the product container or label with you when calling a poison control center or doctor or going for treatment. For non-emergency and general information on product use, etc., information pertaining to this product, call the National Pesticides Information Center (NPIC) at 1-800-858-7378, Monday – Friday, 8:00 am – 12:00 pm Pacific Time; email: [npic@ace.orst.edu](mailto:npic@ace.orst.edu); or web site: [www.npic.orst.edu](http://www.npic.orst.edu). For emergencies, call the poison control center 1-800-222-1222.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is to be used in residential and commercial, non-healthcare related areas/settings only. This product not for use in healthcare or other medical facilities.

##### **Intended purpose/use:**

Isopropyl Alcohol Prep Pads& Isopropyl alcohol wipes-or-Antibacterial wipes can be used to sanitize your household hard, non-porous, non-food contact surfaces. Safe for use on marble, finished wood, glass, ceramics, plastic and stainless steel. This product [Isopropyl Alcohol Prep Pads] is recommended as a sanitizer for use on hard, non-porous, non-food contact surfaces [such as] [Bathroom (toilet seat, door handle), Kitchen (faucets), Office space (monitor, keyboard, mouse, desk top), School, Health club, Gyms, Airports, Grocery stores, Shopping, Centers, Nursery, Daycare centers, Households, Restaurants][ and other related hard, non-porous, non-food contact surfaces].

##### **To Dispense Product**

###### **For Bucket/Canister:**

To Open Package: Open the cap lid and pull up firmly on the lid to remove the entire cap from the bucket. Pullout wipes at an angle toward the central opening in the lid, so that the next wipe pops up automatically, held in place, and does not fall back in. Do not push your finger through the opening. When finished, close the lid securely between uses to retain moisture.

###### **For Individually Wrapped:**

To Open Package: Tear open the foil package and unfold the folded pads for use.

**For Pouch:**

To Open Package: Open the pouch by peeling back the seal. Remove one wipe and reseal the pouch after each use to retain moisture.

To Clean: Use a new wipe on hard, non-porous non-food contact surfaces. Allow to air dry. Repeat for stubborn stains.

To Sanitize: Pre-clean surface by using a new wipe prior to sanitization. Use a new wipe to thoroughly wet hard nonporous non-food contact surface. Allow surface to remain visibly wet for 4 minutes. Use additional wipes to ensure treated surface is continuously wet for 4 minutes. Allow the surface to air dry. Discard wipe after use. DO NOT FLUSH IN TOILET.

**This product kills:****Sanitizer:**

*Staphylococcus aureus* (ATCC 6538)

*Klebsiella pneumoniae* (ATCC 4352)

*Escherichia coli* 0157:H7 (ATCC 35150)

*Pseudomonas aeruginosa* (ATCC 15442)

**Storage conditions:**

Store product in original container in a cool, dry, ventilated, non-corrosive gas environment away from fire and flammable objects.

**DISPOSAL:** Discard of wipe in trash after use. Dispose of empty container in the trash, or offer for recycling, if available.

**Product feature:**

100% cotton base material
