Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Label notification adding net weight description, optional marketing claims, emergency contact information, and optional graphic images.  
Product Name: Grand Tongo Spray  
Admin Number: 99212-1  
EPA Receipt Date: 05/13/2025  
Action Case Number: 00656923

Dear Jean Killoren:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Eric Ingram via email at [ingram.eric@epa.gov](mailto:ingram.eric@epa.gov).

Sincerely,

A handwritten signature in black ink, reading "Elizabeth Fertich". The script is elegant and cursive, with the first letters of each word being capitalized and larger than the rest.

Elizabeth Fertich, Product Manager 4  
IVB1, RD  
Office of Pesticide Programs

## FIRST AID

### IF IN EYES:

- Hold eye open and rinse gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first five minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

### IF SWALLOWED:

- Call a physician or poison control center immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a Poison Control Center or a doctor.
- Do not give anything by mouth to an unconscious person.
- Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 800-424-9300 [800-410-3063] for emergency medical information.

**Emergency Response Telephone Number is 800-424-9300 [800-410-3063]**

{Note: The grid format for the First Aid statements will be used if market label space permit.}

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

- Hold 4 to 6 inches from skin while spraying, keeping nozzle pointed away from face. Slightly moisten skin with a slow sweeping motion.
- Do not apply indoors.
- Excessive amounts or frequent reapplication is unnecessary.
- Do not exceed two applications per day.
- Apply on face by first spraying small amounts in palms of hands and spreading on face and neck, avoiding your eyes.
- Wash hands after application.
- Do not apply to the hands of small children.
- When using on children, apply to your hands and then apply it to the child. Do not apply to their hands. To apply to a child's face and neck, spray the product into your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around ears. Do not allow children to handle the product.
- Do not spray directly on face.
- Avoid contact with lips, cuts, wounds, or irritated skin.
- Do not apply to excessively sunburned skin.
- Do not apply under clothing.
- Apply sparingly around ears.

{Note to Reviewer: Storage & Disposal Language for pump spray packaging}

## STORAGE AND DISPOSAL

**PESTICIDE STORAGE:** Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-526-9377 for disposal instructions. Never place unused product down any indoor or outdoor drain.

{Note to Reviewer: Storage & Disposal Language for continuous spray/BOV packaging.}

## STORAGE AND DISPOSAL

**PESTICIDE STORAGE:** Store in a cool, dry place out of the reach of children.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Do not puncture or incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-526-9377 for disposal instructions.
