The Honorable Brad Henry

Dear Governor Henry:

Thank you for your letter dated December 17, 2003, forwarding the State of Oklahoma's recommendations on air quality designations for the particulate matter 2.5 (PM 2.5) National Ambient Air Quality Standard.

Based on 2000-2002 ambient PM 2.5 data, you recommended attainment for the entire State of Oklahoma. We will carefully review Oklahoma's recommendations and work with the Oklahoma Department of Environmental Quality, if questions arise, as we work to make our final designations.

If you have any questions, please do not hesitate to call me at (214) 665-2100, or your staff may call Mr. Thomas Diggs of my staff at (214) 665-7214.

Sincerely yours,
