FINAL DECISION AND RESPONSE TO COMMENTS

WESTLAKE PLASTICS COMPANY, INC.
490 LENNI ROAD
LENNI, PENNSYLVANIA

EPA ID NO. PAD002346773

I. FINAL DECISION - Corrective Action Complete without Controls

The United States Environmental Protection Agency, Region 3 ("EPA") has determined that no further action is required to make this property suitable for any type of land use. This is based on our findings as detailed in the Statement of Basis ("SB"), dated March 29, 2013, for the Westlake Plastics Company, Inc. facility located at 490 Lenzi Road, Lenzi, Pennsylvania 19052 (Facility). This determination is consistent with EPA's February 2003 *Final Guidance on Completion of Corrective Action Activities at RCRA Facilities* (reference 68 FR 8757).

II. PUBLIC COMMENT PERIOD

On April 18, 2013, EPA issued the SB for the Facility which summarizes the Agency's proposed decision "Corrective Action Complete without Controls." Consistent with public participation provisions under the Resource Conservation and Recovery Act ("RCRA"), EPA requested comments from the public on the proposed remedy as described in the SB. The commencement of a thirty (30) day public comment period was announced in the Delaware County Daily Times newspaper on April 18, 2013 and on the EPA Region 3 website. The public comment period ended on May 17, 2013. The SB is hereby incorporated into this Final Decision by reference and made a part hereof as Attachment A.

III. RESPONSE TO COMMENTS

EPA received no comments on the proposal. Consequently, our final determination is unchanged from the proposal.

IV. AUTHORITY

EPA is issuing this Final Decision under the authority of the Solid Waste Disposal Act, as amended by RCRA, and the Hazardous and Solid Waste Amendments ("HSWA") of 1984, 42 U.S.C. Sections 6901 to 6992k.

V. DECLARATION

Based on the Administrative Record compiled for the Corrective Action at the Westlake Plastics Company, Inc. facility, EPA has determined that the Final Remedy selected in this Final Decision and Response to Comments is protective of human health and the environment.

John A. Armstead, Director
Land & Chemicals Division
