

Sensus USA Inc (Formerly Sensus Metering Systems NA, Invensys Metering Systems, NA)

805 Liberty Boulevard
DuBois, PA 15801
Congressional District 5
EPA ID #: PAD004335469
Facility Property Area: 18 acres
Last Updated: 10/24/2012

Status

PADEP visited the FBC Chemical Corp. facility and met with company representatives on July 30, 2002. EPA is reviewing existing environmental information to determine if further investigation is required. EPA will focus first on the health and groundwater impacts, if any, presented by the facility. Once EPA completes this review process, an environmental indicator determination will be prepared and posted to this website.

Facility Description

The site is an 18-acre parcel located in the City of DuBois, PA. Beginning sometimes in the 1800 until 1876, the Invensys facility was used as a lumber mill, and then was used as an iron and steel foundry until 1937. After 1937, the plant was used for the manufacture of domestic gas meters and gas regulation equipment. Manufacturing activities at the site include gas meter assembly, testing, painting, diaphragm fabrication, plastic molding, white metal die casting, wet scrubbing of air emissions from diaphragm vulcanization process, machining, degreasing, and tin plating.
