Status

PADEP visited the MSC Materials & Solution Group facility and met with company representatives on September 21, 2006. EPA is reviewing existing environmental information to determine if further investigation is required. EPA will focus first on the health and groundwater impacts, if any, presented by the facility. Once EPA completes this review process, an environmental indicator determination will be prepared and posted to this website.

Facility Description

The MSC Facility is situated on approximately 8.25 acres of land in the central area of Falls Township, Bucks County, Pennsylvania, located 2.5 miles south of Morrisville. In 1973, Prior Coated Metals began operating a metal coil coating facility at the Site. From 1983 until 1998, Pre Finish Metals owned and operated the Site. MSC purchased the Site in 1998 and is the current owner. The Facility is also identified as MSC Engineered Materials and Solutions Group.
