## Status

---

EPA/PADEP is reviewing existing environmental information to determine if further investigation is required. EPA/PADEP will focus first on the health and groundwater impacts, if any, presented by the facility. Once EPA/PADEP completes this review process, an environmental indicator determination will be prepared and posted to this website.

## Facility Description

---

Paxar is the current owner of the site and manufactures machinery for printing clothing labels. Prior to 1920, the Sayre Brewing Company owned the property. From approximately 1920 until 1950, the property was owned and operated by the Sayre Candy Company. Paxar Corporation, formerly Packaging Systems Corporation – Fasco Division, has owned the facility since 1952. The interior of the plant is divided into several rooms that are used for storage, machine assembly, and administrative purposes.

Packaging Systems Corporation – Fasco Division filed a Notification of Hazardous Waste Activity on August 12, 1980 with USEPA. Hazardous waste activities at this time included generation and treatment, storage or disposal (TSD). The company was assigned USEPA ID No. PAD080879588. According to the Notification, wastes handled at the site were listed under USEPA RCRA waste identification codes F003, F005, K078, K079 and K086.
