

C & M Chemicals Inc.

**Route 340 Stenford Rd.
Portersville, PA 16051
Congressional District: 4
EPA ID #: PAD096339411
Facility Property Area: 53 acres
Final Update**

Status

There is no contamination in soil or groundwater at the Facility. No further actions are necessary at the Facility. EPA's Final Decision of Corrective Action Complete without controls for the Facility became effective June 11, 2009.

Facility Description

The subject facility consists of an undeveloped 53-acre of land. C&M was a licensed transporter of liquid, semi-solid, and solid waste materials. C&M collected wastes from various generators and transported them to incinerator and/or landfill facilities. There is no available information which would suggest that hazardous wastes may have been released to the environment on this property.
