

LAWS OF NEW YORK, 2010

CHAPTER 203

AN ACT to amend the environmental conservation law, in relation to requiring a reduction in sulfur for all heating oil used in the state

Became a law July 15, 2010, with the approval of the Governor.

Passed by a majority vote, three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The environmental conservation law is amended by adding a new section 19-0325 to read as follows:

§ 19-0325. Sulfur reduction requirements.

(1) On or after July first, two thousand twelve, all number two heating oil sold for use in residential, commercial, or industrial heating within the state shall not have a sulfur content greater than fifteen parts per million.

(2) The governor may, by issuing an executive order, temporarily suspend the applicability of this section at any time based on the governor's determination, after consulting with the New York energy research and development authority, that meeting the requirement of subdivision one of this section is not feasible due to lack of adequate supply of the required fuel.

§ 2. This act shall take effect immediately.

The Legislature of the STATE OF NEW YORK ss:

Pursuant to the authority vested in us by section 70-b of the Public Officers Law, we hereby jointly certify that this slip copy of this session law was printed under our direction and, in accordance with such section, is entitled to be read into evidence.
