

2.6 (17A,22) Procedure by which additions, dissents or objections may be entered into certain records.

Except as otherwise provided by law, a person may file a request with the custodian to review, and to have a written statement of additions, dissents or objections entered into, a record containing personally identifiable information pertaining to that person. However, this does not authorize a person who is a subject of such a record to alter the original copy of that record or to expand the official record of any agency proceeding. Requester shall send the request to review such a record or the written statement of additions, dissents or objections to the custodian or to the attorney general. The request to review a written statement must be dated and signed by requester, and shall include the current address and telephone number of the requester or the requester's representative.

Description: The EPA approved a new chapter "Public Records and Fair Information Practices."
This chapter establishes procedures for maintenance of records, facilitates public access to open records, and sets policy with respect to the handling of confidential information. This chapter was approved in conjunction with Title V rules.

Difference Between the State and EPA-Approved Regulation

None.
