

22.106(455B) Annual Title V emissions inventory.

22.106(1) Emissions fee. Fees shall be paid as set forth in 567-Chapter 30.

22.106(2) Emissions inventory and documentation due dates.

For emissions located in Polk County or Linn County, three copies of the following forms shall be submitted annually by March 31 documenting actual emissions for the previous calendar year. For emissions in all other counties, two copies of the following forms shall be submitted annually by March 31, documenting actual emissions for the previous calendar year:

- a. Form 1.0 "Facility Identification";
- b. Form 4.0 "Emission Unit—Actual Operations and Emissions" for each emission unit;
- c. Form 5.0 "Title V Annual Emissions Summary/Fee"; and
- d. Part 3 "Application Certification."

Alternatively, an owner or operator may submit the required emissions inventory information through the electronic submittal format specified by the department.

If there are any changes to the emission calculation form, the department shall make revised forms available to the public by January 1. If revised forms are not available by January 1, forms from the previous year may be used and the year of emissions documented changed. The department shall calculate the total statewide Title V emissions for the prior calendar year and make this information available to the public no later than April 30 of each year.

22.106(3) Correction of errors. If an owner or operator, or the department, finds an error in a Title V emissions inventory, the owner or operator shall submit to the department revised forms making the necessary corrections to the Title V emissions inventory. Corrected forms shall be submitted as soon as possible after the errors are discovered or upon notification by the department.
