

## 11 CSR 50-2.110 Issuance of Inspection Stickers and Decals

(1) An inspection sticker or decal shall be issued immediately following an inspection if the vehicle meets the inspection requirements, and the sticker or decal shall be properly affixed to the vehicle by the inspector/mechanic only.

(2) When an inspection sticker is issued, the inspector/mechanic shall validate the sticker by punching the month and the year that the inspection was performed and by writing legibly the information asked for on the reverse side of the inspection sticker. Previous inspection stickers affixed to the windshield shall be removed. The inspector/mechanic shall affix the current inspection sticker on the inside of the vehicle's windshield in the lower left hand corner. On motor vehicles not equipped with a windshield, the inspector/mechanic shall issue a properly validated inspection decal and affix it to the vehicle's dash or steering column.

(3) When an inspection decal is issued to a trailer, the inspector/mechanic shall validate the decal by punching the month and year the inspection was performed and the inspector/mechanic shall securely attach the decal to the left side of the trailer near the front corner. On unusual trailers, the inspector/mechanic must exercise good judgment in affixing the decal where it will be as prominent as possible.

(4) When an inspection decal is issued for a motorcycle it shall be affixed in an upright position on the left side of the steering fork sleeve at a visible location near the slider tube. The inspector/mechanic is not required to remove a previous year issue inspection decal.

(5) Stations which do not punch the correct month and year issue inspection sticker or decal shall be required to remove the sticker or decal from the vehicle and affix a properly validated inspection sticker or decal to the owner's vehicle without charge.

(6) Stations will issue inspection stickers or decals from only one (1) book at a time, starting with their lowest numbered book.

(7) All covers from used books of both stickers and decals will be retained by the inspection station.

(8) Inspection stickers or decals issued to an inspection station can be used only by that station.
