The Department may require the permit applicant to provide a copy of the permit application, including the compliance plan, directly to the Administrator.

(B) The Department shall give notice of each draft Class I permit to any affected State on or before the time that the Department provides notice to the public. The Department shall notify the Administrator and any affected State in writing of the reasons for any refusal by the Department to accept all recommendations for the proposed permit that the affected State submitted.

(C) The Department shall not issue a Class I permit if the Administrator objects to its issuance in writing within 45 days of receipt of the proposed permit and any necessary supporting information.
