Introduction Administrative Record Index

U.S. EPA Approval for Commercial Storage for Disposal of PCBs at Veolia Environmental Services Technical Solutions, L.L.C.

The Administrative Record (“AR”) Index (“Index”) lists all of the documents, correspondence, data and other information that U.S. EPA considered in issuing the Toxic Substances Control Act (“TSCA”) Approval for Veolia Environmental Services Technical Solutions, L.L.C. (Veolia) to manage PCB wastes at its Phoenix, Arizona facility.

The AR is physically located at the U.S. EPA Region 9 office in San Francisco, California. The most pertinent documents used in the decision making process and the Index are located in satellite information repositories at the Phoenix Public Library, Desert Sage Branch in Phoenix, Arizona and online at: www.epa.gov/region9/pcbs/disposal/veolia. If you wish to view a document listed in the Index that cannot be found online or at the Phoenix Public Library, please call Cynthia Ruelas at (415) 972-3329 and a copy will be made available.

A list of the abbreviations used throughout the Index is contained in the “Glossary of Abbreviations”. The Index includes the following information for each record listed:

Document Type - Each record in this Index is classified into the following document categories:

- Application
- Approval
- Endangered Species Act
- Enforcement
- Environmental Justice Concerns
- National Historic Preservation Act
- Final TSCA Approval
- Notice of Deficiency/Response
