Re: **Class A-3 Response Action Outcome Statement and
Activity and Use Limitation
Former Jet-Line/Geochem
263 Howard Street
Lowell, Massachusetts
DEP RTN 4-0601
Lightship Project No. 542.1.1**

Dear Mayor Mercier:

This letter serves to notify you, as Chief Municipal Officer for the City of Lowell, of the completion and availability of the *Class A-3 Response Action Outcome Statement and Activity and Use Limitation* associated with the Former Jet-Line/Geochem Site located at 263 Howard Street in Lowell, Massachusetts. The report is available at the Commonwealth of Massachusetts, Department of Environmental Protection ("DEP") Northeast Regional Office in Wilmington, Massachusetts for public review. This notification is being forwarded to you to comply with the Public Involvement requirements of the Massachusetts Contingency Plan 310 CMR 40.1403.

If you have any questions, please contact Joseph O'Brien or Michael J. Pierdinock at (508) 830-3344, extensions 130 and 110, respectively.

Very truly yours,

Lightship Engineering, LLC

Joseph O'Brien, P.E.

NOTICE OF AN ACTIVITY AND USE LIMITATION

**Former Jet-Line/Geochem
263 Howard Street, Lowell, MA 01852
Release Tracking Number 3-00601**

Pursuant to the Massachusetts Contingency Plan (310 CMR 40.1073 (7)), a NOTICE OF ACTIVITY AND USE LIMITATION on the above disposal site has been recorded with the Middlesex County Registry of Deeds (North District) on February 24, 2006 in Book 19844, Page 56.

The NOTICE OF ACTIVITY AND USE LIMITATION ("AUL") limits the following activities and uses on that portion of the above property as identified in the AUL as the "AUL Area":

- (i) Use of the property as agricultural, institutional (with a residential or child care component), recreational or as a playground or other similar use where a child is likely to be present or other use which was not considered within the risk characterization and demonstrated to pose No Significant Risk of harm to human health, safety, public welfare, and the environment; and
- (ii) Significant alterations or changes in use of spaces in the existing building or construction of other buildings on-site without the installation of a passive venting system and vapor barrier and/or performance of indoor air monitoring which adequately demonstrates that volatile organic compounds are not migrating into the building at unacceptable levels.

Any person interested in obtaining additional information or reviewing the NOTICE OF ACTIVITY AND USE LIMITATION and the disposal site file may contact Jim Green, President of Jones Environmental Services (Northeast), Inc., 263 Howard Street, Lowell, MA 01852 at (978) 453-7772.
