Dear Mr. Jolles:

As per my conversation with Mr. Neal Drawas from Kroll Environmental Enterprises, Inc., on 15 May 1996, I am distributing duplicates of photographs taken during the 2 May 1996 on-site reconnaissance of the Covitch Property/Former ATF Davidson Co. property. The enclosed photographs were taken during the portion of the on-site reconnaissance guided by Mr. Drawas and Mr. Lonergan and are primarily photographs of interior locations in various on-site buildings. The photographs of the exterior locations photographed throughout the property, corresponding to the portion of the on-site reconnaissance guided by Mr. Eichler, are being sent to Mr. Craig Gendron of Caswell, Eichler, & Hill, Inc.

I am also sending this letter to inquire as to the status of the information requested in my 8 May 1996 letter. During our telephone conversation of 14 June 1996 you indicated that the information would be sent as soon as the remaining surveys were received from the appropriate tenant companies of The Shop. If you are still waiting on these surveys, any available information you could send, such as a current tenant list or a current plot plan would be of great assistance in assuring the accuracy and timely delivery of pending reports.
