

Sustainable Stormwater Funding for Upper Charles River  
Location: Municipal Center, 10 Mechanic Street, Bellingham, MA  
Monday September 12, 2011 (1 PM – 3 PM)

**Steering Committee Mtg #5**  
**Draft Agenda**

- Purpose:** EPA contractor, Horsley Witten Group (HW) and subcontractor, AMEC, have completed the draft report on the feasibility assessment of a sustainable funding program for the Upper Charles River. HW will go through each section of the draft report and respond to questions from the Steering Committee.
- 1:00-1:10** Welcome and Introduction (EPA)
- 1:10-1:20** Overview of the Content of the Draft Report and content of Section 1: Introduction and Section 2: Context.
- 1:20-1:30** Questions and discussion on Sections 1 and 2.
- 1:30-1:50** Review of Section 3: Alternatives and Section 4: Cost of Services.
- 1:50-2:00** Questions and discussion on Sections 3 and 4.
- 2:00-2:20** Review of Section 5: Governance and Section 6: Funding Options.
- 2:20-2:30** Questions and discussion on Sections 5 and 6.
- 2:30-2:40** Review of Section 7: Billing Options and Section 8: Recommendations.
- 2:40-2:50** Questions and discussion on Sections 7 and 8.
- 2:50-3:00** Next Steps (submittal of comments and timing for completion of the final report).
-
