RECEIVING WATERS CLASSIFICATION: SB

PREPARATION OF THE DRAFT PERMIT:

The U.S. Environmental Protection Agency, (EPA) and the Massachusetts Department of Environmental Protection (MADEP) have cooperated in the development of these seven (7) draft permits for the above identified facilities which discharge storm water into Chelsea River and Sales Creek (Global REVCO Terminal, LLC is the only facility with an outfall which discharges into Sales Creek). The effluent limits and permit conditions imposed in these seven (7) draft permits have been developed to assure that State Water Quality Standards and provisions of the Clean Water Act will be met. EPA has formally requested that the state certify the draft permit pursuant to Section 401 of the Clean Water Act and expects that the draft permit will be certified.

INFORMATION ABOUT THE DRAFT PERMITS:

A fact sheet or statement of basis for each facility (describing the type of facility; type and quantity of wastes; a brief summary of the basis for the draft permit conditions; and significant factual, legal and policy questions considered in preparing the draft permit) may be obtained at no cost by writing or calling EPA's contact person named below:

PUBLIC MEETING:

The Regional Administrator has determined, pursuant to 40 C.F.R. §124.12, that a significant degree of public interest exists in these proposed permits and that a public meeting should be held in Chelsea, Massachusetts to consider these permits. Accordingly, a public meeting will be held on the following date and time:

DATE: Wednesday, April 27, 2005
TIME: 6:30 pm - 7:30 pm
LOCATION: Williams Middle Schools (Music Room)
180 Walnut Street (Please Use Arlington Street Entrance)
Chelsea, MA 02150

The following is a summary of the procedures that will be followed at the public meeting:

- a. The Presiding Chairperson will have the authority to open and conclude the meeting and to maintain order.
- b. EPA and MADEP will make short presentations describing the NPDES permit process and the draft permit conditions, and then accept questions from the audience.
- c. Formal oral comments concerning the draft permit will not be accepted; formal oral comments will be accepted at the public hearing, scheduled for after the public meeting.

PUBLIC HEARING:

The Regional Administrator has determined, pursuant to 40 C.F.R. §124.12, that a significant degree of public interest exists in these proposed permits and that a public hearing should be held in Chelsea, Massachusetts to consider these permits. Accordingly, a public hearing will be held on the same date of and following the close of the public meeting:

DATE: Wednesday, April 27, 2005
TIME: 7:30 pm - 8:30 pm
LOCATION: Williams Middle Schools (Music Room)
180 Walnut Street (Please Use Arlington Street Entrance)
Chelsea, MA 02150

In accordance with 40 C.F.R. §124.12, the following is a summary of the procedures that shall be followed at the public hearing:

- a. The Presiding Officer shall have the authority to open and conclude the hearing and to maintain order; and
- b. Any person appearing at such a hearing may submit oral or written statements and data concerning the draft permit.

PUBLIC COMMENT PERIOD:

The 60-day public comment period for these seven (7) draft permits begins on March 14, 2005 and ends on May 12, 2005. All persons, including applicants, who believe any condition of the draft permit is inappropriate, must raise all issues and submit all available arguments and all supporting material for their arguments in full by the close of the public comment permit (See also: 40 Code of Federal Regulations, Section 124.13). Comments should be directed to the US EPA, Office of Ecosystem Protection, Attention: Neil Handler, One Congress Street, Suite 1100 (CIP), Boston, Massachusetts 02114-2023. **The comments should reference the name and permit number of the facility for which they are being provided.**

If during the public comment period, significant new questions are raised concerning the permit, EPA may require a new draft permit or fact sheet or may reopen the public comment period. A public notice will be issued for any of these actions.

FINAL PERMIT DECISION AND APPEALS:

Following the close of the comment period, and after the public hearing is held, the Regional Administrator will issue a final permit decision and forward a copy of the final decision to each applicant and each person who has submitted written comments or requested notice. Within 30 days following the notice of the final permit decision any interested person may submit petition to the Environmental Appeals Board to reconsider or contest the final decision. Requests for formal hearings must satisfy the requirements of 40 Code of Federal Regulations, Section 124.74.
