December 22, 2016 Letter and Attachments Re: PSNH Merrimack Station, Bow, NH Draft NPDES Permit No. NH0001465 Formal Request that USEPA Region 1 Issue A Revised Draft of Permit for Public Notice

This version of PSNH's letter and three attachments contains certain material that has been designated as Confidential Business Information by PSNH and therefore is included in the Administrative Record document files, but is not being made publicly available.

A redacted version of this document, however, is provided in the Administrative Record as AR-1352.
