Hi Linda & Tom –

As you have indicated, you designated Attachment 4 (Confirmatory Study Plan) to the April 12, 2017, letter as Confidential Business Information. In order to facilitate our referencing this document in our analysis and including as much of it as possible in the public administrative record for the Merrimack permit, we are interested in receiving a version of this document from you that redacts whatever you consider to be CBI information. Please let us know if providing such a redacted version will be possible.

Thank you for your consideration of this request.

- Mark Stein
