Hi Linda & Tom –

As you have indicated, you designated Attachment 4 (Confirmatory Study Plan) to the April 12, 2017, letter as Confidential Business Information. In order to facilitate our referencing this document in our analysis and including as much of it as possible in the public administrative record for the Merrimack permit, we are interested in receiving a version of this document from you that redacts whatever you consider to be CBI information. Please let us know if providing such a redacted version will be possible.

Thank you for your consideration of this request.

- Mark Stein

All:

Attached please find a letter from PSNH's Ms. Linda Landis, as well as Attachment 4 to that letter – a document jointly prepared by Enercon Services, Inc. and Normandeau Associates outlining the scope of the wedgewire screen confirmatory study set to begin next month at Merrimack Station. Please note that Attachment 4 has been designated as Confidential Business Information.

A hard copy of Ms. Landis' letter, including all of its attachments, will be provided to you via Federal Express overnight mail. Attachments 1-3 have been omitted from this transmittal due to size restrictions.

Please contact Ms. Landis with any questions or concerns you may have.

Thanks,  
Tom
