Tel Spencer Taylor 5/8/17

- ~~PD~~

- He asked about timing of Merrimack point
 - I said we were working on it; Herb expressed our target date in S. Club case; I explained that that could be affected by decision on whether or not to cap

Comment period, as PSNH had requested
 - I explained we were existing the Agency's request re requiring both instantly out with EPA ~~and~~ Headquarters
 and I wasn't sure when the decision would be made

~ hopefully soon, sit with new Administration in place decision-making process slower than would ^{as new people see} if it ^{is to be} speed, wasn't get along clean who should be in decision process
