Hi Reed –

In light of the records you have requested, while we cannot currently review our hard-copy files because we cannot go to our office, we did review our electronic records and, for now, we at least wanted to make sure that you had the materials listed below. These materials are available in the Administrative Record available on our website for the Merrimack Station NPDES Permit. (I recognize that you may already have located these documents, yourself.)

1. AR-236: A clean copy of the 1992 Permit (with, I am told, past minor modifications included in AR-1605 already incorporated into the permit.
2. AR-112: Fact Sheet for the 1992 Permit.
3. AR-1570: Responses to Comments for the 1992 Permit.
4. AR-407: Permit application request.
5. AR-1605: Oct. 22, 1992 Permit modifications.
6. AR-612: Part 2 Permit Conditions from 9/29/2011, Draft Permit for Merrimack Station.

I hope these records may be at least part of what you are looking for.

Sincerely,

Mark Stein
