Hi Mark –

As you requested during the conference call with representatives of Granite Shore Power and PSNH on December 1st, I have attached in [draft](#) a template of an Assignment and Assumption Agreement between PSNH and GSP Merrimack LLC relative to the NPDES permit for the Merrimack Station facility. The wording of this agreement would be replicated in separate agreements particular to both the Newington Station and Schiller Station facilities.

Please feel free to contact me, Tim Tracy or Linda Landis if you have any questions.

On a related matter, thank you for forwarding the [draft](#) Permit Modification for Transfer of Ownership documents for the Merrimack, Schiller and Newington Stations. These are consistent with our discussions on December 1st. We will review the dates and citations referenced in each and provide you with any updates/corrections. Last, in the event that the planned closing date of December 29, 2017 changes, we will notify you immediately.

Thanks again for your assistance.

Dave
