ISO

Capacity supply obligations (CSO) (in general)

- if obligated to respond due to CSO
- they can trade obligations
- Forward capacity obligations

to

- annual
- monthly

} - can shed the CSO in front ~~of~~ ^{auctions}

- They have auctions

→ ~~what~~ if they want to right-size

- they can shed obligations 45 days in advance
- 45-60 days ahead
- monthly

→ annual reconfiguration

→ currently they mostly + annual obligations

→ can limit their capacity

→ This is fairly common
