

THE EFFECTS OF THERMAL RELEASES ON THE
ECOLOGY OF THE MERRIMACK RIVER...

AR# 181

600

A Report To Public Service Company of
New Hampshire on the Effects of its
Merrimack Generating Station on the
Ecology of the Merrimack River

Donald A. Normandeau, Ph.D.
Project Director

Institute for Research and Services
St. Anselm's College
Manchester, New Hampshire

TABLE OF CONTENTS

Introduction.....	1
Personnel	3
Study Area	4
Physical Parameters	9
Flows	10
Temperature	15
Bottom Types	82
Chemical Parameters (Field Studies)	86
Dissolved Oxygen	87
pH	107
Specific Conductance	119
Chemical Parameters (Special Studies)	130
Biological Studies	165
Benthos (General Survey)	168
Special Benthic Studies	186
Plankton Studies	199
Periphyton Studies	211
Fish Studies	216
Summary and Conclusions	229
