Hi Mark,

Yes, I was referring to AR-99, which seems to be the same as AR-1206 (and maybe other AR numbers?).

You can just use my reed@superlawgroup.com email address. The other one is no longer in use.

Thanks very much,
Reed

Hi Reed –

Over the phone, you asked Region 1 for copies of certain public records pertaining to the Merrimack Station permit. I have a follow-up question about one of the items you asked about.

You mention a report by ASA that is in the Administrative Record for the permit. Are you referring to AR-99?

With regard to AR-99, (1) we do not have any of data inputs to the model, and (2) we do not have an model outputs, either. We just have the report. On the phone, I had indicated that we might have model outputs, but we do not.

We are still working to gather other records you requested.
