Mark,

Thanks again for these records. I have a few questions. Do you have time for a quick call this afternoon or early next week?

best,

Reed

Hi Reed –

Attached are the last set of records that I believe are responsive to your request.

You will note that there is one file with notes of a telephone call from which I have redacted two small passages that are notes that I wrote to myself but did not communicate to anyone on the telephone call. When taking the notes I indicated that these bits were just notes to myself by enclosing them in parentheses, which you can see in the notes.

Thanks.
