Sharon:

Regards a thumb driver, unfortunately our Institute does not allow us to use thumb drives for security reasons. I have attached our comments and cover letter. Regards the citations to be added to the Administrative Record, several of them exceed 20 MB in size. I can create a Box folder* for all of them and include you as a collaborator for downloading the contents if that will work for you.

THX for the response!

Doug

PS – my colleague Paul Chu also Fedexed his ELG related comments. He may respond with an electronic version as well
*Another transfer alternative is WE TRANSFER, if that would work better

Hi Doug,

I've been off for a couple days so unfortunately I just received your message along with a large parcel. In the past we have received, and prefer to receive comments via email and/or thumb drive. I don't recall any indication of an electric portal in our notice but I will look into that further. My apologies that you had to resort to printing paper copies. If you are able to provide a thumb drive that includes your comments and supporting information, it would be greatly appreciated.

Regards,

Sharon
