Subject: Notice of Second Extension of Public Comment Period for Additional Information Regarding Draft Permit for PSNH Merrimack Station
Attachments: MerrimackSecondExtension.docx

Dear Interested Party,

Attached please find a Notice for a Second Extension to the Public Comment Period for Merrimack Station (NH0001465) in Bow, NH. The comment period is being extended for an additional 14 days from December 4th to December 18, 2017. This is being done in order to allow additional time in which to comment on information that became pertinent since issuance of the draft permit in 2011 and the revised draft permit in 2014. Further information, including EPA contact information, is in the attached public notice.

Sincerely,

Shelley Puleo
