

- if they meet limits but there are
problems nevertheless should modify
LTA raise the penalty differe-
Requirements

- He suggests other points have the catch-all
Article ~~Don't~~ Section (Section)

- I said I didn't know the act
wid jurisprudence is tricky

- ~~the~~ trying to show - Elabore notes

- ~~copy~~ if we will do BOT for
CAR? for legacy BATW and/or FED?

- I said there were good questions
and this is very common of the
SH Circuit court of course in
was deciding how to hold it

- I mean that CAR is one scenario

~~the~~ ~~the~~ - For FED there's a more detailed

the VIP legacy provision originally
still being in effect ~~is~~ with the SH Cir
said about impudens/BOT limit
- then there is the BATW issue
