- Reviewed Reed Supra call
- They want data - 15 minute data but we have
- I said we have some of our share of
- we are not going to demand more from GSI
at the point
- I said - we don't have underlying data for the
ASA report; but have an output
of our share of
- He asked for records re 3d Party communications
since last FOIA request (mostly minutes,
phone notes)
- I said that's fine; he doesn't need to send a
new FOIA → will show that stuff
it's going into the Administrative groups
