of NHFGD

Regarding yellow perch length/maturity

Their phone number 603-352-9669, email ggries@nhfgd.org

Discussion: _____

Q: What length of yellow perch would represent a sexually mature adult?

Q: How old would fish 10-13 cm be? 40y?

Man Kendall Tam - He doesn't like it. - Their effort is minimal.

Now Normandeau doesn't like it. 2 hour 1 1/2 hour

Follow-up

power analysis 1 - suggests the more powerful it is

the more likely that "significant" impacts will be revealed
