Revised to move the pipe away from the weir. I hope to have most of the remaining plans & details for you at the beginning of next week. When's the meeting?

I know you haven't seen anything on our new WWTP yet, but I have just received this drawing that shows the proposed discharge pipe location (about 30 feet west of the existing weir). Looks fine to me, but didn't know if it might trigger some nasty idea in your head?
