PSNH has rescinded their CBI claim for the Normandeau report that was part of PSNH's response to EPA's 308 letter. The CBI claim for the 316(b) portion of that response probably will be rescinded by Monday. PSNH is checking with their consultant that wrote the report. PSNH wants to ensure the consultant is comfortable with rescinding the CBI claim.

John

John, This email is to release the CBI claim that PSNH made regarding the Normandeau Associates Entrainment/Impingement Report for Merrimack Station that we submitted in response to your 308 request. None of the information contained in that report need be considered business confidential. Call if you have questions. Thanks, Allan.
