Thank you John. Our goal is to mail it on 11/2. I would like leeway however, to overnight it to you with a postmark date no later than 11/6. Go Sox, Allan.

When is it Due?

Allan,

By my reckoning, PSNH response to EPA's 308 letter that posed 316(b) questions concerning Merrimack Station is due Friday, November 2, 2007. However, if you feel PSNH needs a few more days, say until November 5 or 6, let me know. I will mention it to my superiors that PSNH needs a few more days to complete the response. So far, I have not seen too much consternation if a permittee is a few days tardy with a response.

John
