

OUTFALL MONITORING SCIENCE ADVISORY PANEL ANNUAL MEETING (DRAFT)
SEPTEMBER 23, 2014 – 10:00 AM TO 3:00 PM
FOLLOWED BY PUBLIC INTEREST ADVISORY MEETING FROM 3:00 PM TO 4:00 PM

LOCATION: Northeastern University Marine Science Center, 430 Nahant Road, Nahant, MA
<http://www.northeastern.edu/campusmap/printable/marine.html>

LUNCH: There are not many options near the MSC, so you can either bring your lunch or bring \$10 to participate in a catered lunch from a local sandwich shop. If you want to participate in the catered lunch, please e-mail Grimaldi.Alicia@epa.gov.

DRAFT AGENDA:

- 10:00* Welcome and introductions (includes welcoming new OMSAP member, Dr. Geoffrey Trussell, and an introduction to the Marine Science Center) (Andy Solow/Matt Liebman, Geoffrey Trussell)
- 10:15* MWRA introduction (Betsy Reilley)
- 10:25* Discussion about future meetings and specific topics (Judy Pederson)
- 10:30* NERACOOS Buoy A update – funding challenges (Ru Morrison)
- 10:40* Model-Mooring data comparison (Wendy Leo)
- 11:20* Effectively using models in conjunction with continuous data and other data sources (Jim Fitzpatrick)
