Facilities meeting the criteria and wishing to terminate their coverage under the NCCW General Permit may submit this completed format or a letter containing all of the information required for the NOT in Appendix 4.

1.) Name of Facility:

Mailing Address of Facility:

2.) Name of Operator:

Mailing Address of Operator (if different from Facility):

Telephone Number of the Operator:

Facility Location:

Latitude:

Longitude:

3.) NPDES Assigned Permit Number:

4.) Has the discharge been
permanently terminated?

Reason for termination (connection to sewer, installed
closed loop system, etc.):

YES

5.) Signatory requirements according to 40 CFR Section 122.22 and certification statement:

I certify under penalty of law that all discharges from the identified facility that are authorized by the Non-Contact Cooling Water (NCCW) General Permit have been terminated. I understand that by submitting this Notice of Termination (NOT), I am no longer authorized to discharge under the NCCW General Permit and that discharging pollutants from the activity covered by the NCCW General Permit is unlawful under the Clean Water Act where the discharge is not authorized by a permit. I also understand that the submission of this NOT does not release an owner/operator from liability for any violation of the NCCW General Permit or the Clean Water Act.

Signature of Operator:

Printed Name/Title:

Date:

Completed NOTs should be hardcopy mailed to:
