The Department of Environmental Protection (Department) is initiating a minor revision of Department Order MEG190105 issued by the Department on July 27, 2015. Said order provided coverage for COLONEL WESTBROOK ASSOCIATES GP, under the Long Creek Post Construction Storm Water General Permit, #MEG190000, issued by the Department on April 21, 2015, for two parcels of land in the Long Creek watershed, 1 Thomas Drive (Map #3, Lot #125) and 2 Thomas Drive (Map #3, Lot #101). On August 25, 2016, the parcel located at 1 Thomas Drive was conveyed to JFB Thomas Drive Development, LLC and GWB Thomas Drive Development, LLC. Operated in accordance with the Long Creek Post Construction Storm Water General Permit, #MEG190000, the discharges identified by the permittee will not have a significant adverse effect on water quality or cause or contribute to the violation of the water quality standards of the receiving water.
